365	I try to shop on Ridge as much as possible, There is no place for for what I don't like...I don't like that lots of places are closed on Sunday. I work M-F and only have Sat and Sun to shop, often I go to Chico b/c Ridge stores are closed. Also. I like a small town feel when I shop that people remember you , your name and are friendly you don't get that in Chico. It is the big advantage the Ridge has, and often it is blown by a careless attitude by employees or store owners. If I am looking for something and you don't have it but you go the extra mile to tell me where to go to get it, I will come back to you. I will even pay a little more if you are friendly and remember me. But if you act like you could care less about my needs and what I am looking for...I can get that at Walmart cheaper! :)	Mar 11, 2011 10:13 AM

71	Hours of operation. Consider that most who have money to spend work, and those who shop will do so after they get off of work, therefore one conclusion may be to be open outside of normal business hours. Stores make it difficult to shop when the only accept cash or checks, but not cards. Seriously- who does that. Charge a premium for using a card if their margins are that tight, but it does not make me want to return when i have to make a special trip to the bank just to shop somewhere. Inventory, some folks just to not keep the inventory of items. Service of things has been disappointing- i try and get something worked on, or custom order things, and sometimes they get screwed up- this is par for the course, but up 'on the ridge' these errors are above the curve. My time is valuable and I don't like having to make dual trips to get things corrected.	Mar 7, 2011 10:26 AM

The fact that all this 'shopping' is a mere 8 miles from Paradise is reason enough to 'leave things where they lie'. We have to realize we can't expect everything we need at our fingertips.....not practical in today's world. All the shopping that any of us need is as close as is reasonable.	Mar 10, 2011 8:36 PM

91	Walmart	Mar 7, 2011 1:33 PM
92	more clothing options and discount grocery store	Mar 7, 2011 1:33 PM
93	Trader Joe's, Clothing Retail, a Costco. But not at the entry to Paradise, that will just junk up the looks and send more people down the hill. Big Box stores do need to come in - between Paradise and Magalia, keep the entry to Paradise Beautiful. Put a few box stores over by Wagstaff, near the theater, bring in a Ross Dress for Less or Pier One. Not just junk shops. If you place the stores in the center (between Paradise and Magalia) it will draw people IN, not out. When the Wal Mart goes in at the entrance to Paradise it WILL draw more people OUT. Since they are almost to Chico anyway, they may as well just pop down the hill for a good lunch, dinner or the other stores, it's only a few more minutes. If the big stores are placed in the center, they won't be as likely to continue to Chico. That's what I think and I hope it helps.	Mar 7, 2011 1:58 PM
94	Cheaper Grocery store	Mar 7, 2011 2:19 PM

#### 4. What products/services would you like to see in Paradise?

	Response Text	
147	Larger stores with better selection for growing families. One stop shopping. It's very difficult to shop in Paradise because you have to stop at several different stores to pick up needed items where as in Chico you only have to go to WalMart or maybe one other large store. Very difficult for families with children to get in and out of car seats to shop in Paradise. Also, Paradise seems to always be out of what I need (low inventory) or just do not carry the products I need. Example, I needed to buy a large posterboard display for my daughters science project and not one store in Paradise carried this item. I was not looking for a rare or unusual item, just a large display posterboard and not even the stationary stores carried them! VERY FRUSTRATING so I don't even bother anymore. We really need a larger that can keep up with the demands of Paradise consumers. The only stores that I feel might be affected by a store such as walmart might be Kmart but other than that, Walmart is not a easy one stop shopping store and if it's at the end of town most people would still rather go to say Rite-Aid than all the way down to the end of town to the WalMart but it would be there to deter people from driving those extra miles down the hill and keep the money on the ridge! I've lived here all my life and I really feel strongly that this town needs a larger store to better serve our community.	Mar 7, 2011 6:35 PM
148	Another choice other than Kmart, other chain stores, dedicated bakery, chain clothing store	Mar 7, 2011 6:41 PM
149	more mid-priced clothing, shoes, activities for children, real bakeries.	Mar 7, 2011 6:56 PM

152	more electronics, clothes.	Mar 7, 2011 7:10 PM
153	A nice home goods store	Mar 7, 2011 7:24 PM
154	More personal goods	Mar 7, 2011 7:31 PM
155	I miss the Produce store that was destroyed in a snowstorm in the late 70's or early 80's. Paradise has the opportunity to draw outside area shoppers if they would get rid of the trashy areas that visitors see coming into town and leaving. Not a charming site. I would love to see downtown outside eating bistros...lots of (large pots) potted flowers, more parking. Ask the local artists what they would do to draw visitors.	Mar 7, 2011 7:39 PM
156	Better Resturants	Mar 7, 2011 7:45 PM

169	I actually like that the bigger stores aren't here and don't mind running down to Chico to shop there.	Mar 7, 2011 10:32 PM
170	NOT A WALMART!!!! Holiday has a nice Organic section, but I still go to Trader Joes.	Mar 7, 2011 10:48 PM

173	Office supplies/crafts & sewing supplies	Mar 8, 2011 9:06 AM
174	We would like a Super Walmart and either a Home Depot or Lowes.	Mar 8, 2011 9:07 AM
175	Clothing stores	Mar 8, 2011 9:15 AM
176	A large one stop shopping place like a Target, Something nicer than Kmart.	Mar 8, 2011 9:17 AM
177	better entertainment	Mar 8, 2011 9:50 AM
178	Central shopping location (mall) centrally located between Paradise and Magalia. NOT WALLMART AT THE GATEWAY TO OUR BEAUTIFUL TOWN!!!!	Mar 8, 2011 9:52 AM
179	I don't know	Mar 8, 2011 10:17 AM
180	I'd love office and craft supplies at Chico prices. I'd like one of the Paradise grocery stores to provide choice beef. I'd like to find a printer whose customer service and prices could compete with online.	Mar 8, 2011 10:38 AM
181	four wheel drive repair shop and parts store for accessories. ATV repair shop and parts store.	Mar 8, 2011 10:40 AM
182	I find most of what my family needs in Paradise.	Mar 8, 2011 10:42 AM
183	Quality food establishments for a start. I never knew a town existed that had such awful food! It reminds me of hospital food or some food one would find in a discount old age home - pathetic! Only Sophia's has good Thai food but I can't eat it every day. Also, where is the real healthy food? Paradise can never compete price-wise, but it sure could turn itself into a botique and art community to draw people from all over. The town itself is ugly! A bunch of old, run-down, dilapidated buildings of no character (with some exceptions), weedy unattractive landscaping and trashy places abound. No wide sidewalks. No place to stroll and sit outside of a cafe with great coffee and good pastries, for example. I bet there is a lot of talent on the Ridge - share it. Speakers/seminars, learn "how to" just about anything for adults and children. We only have one decent hotel in town and you'll wake up with a real back ache because their beds are horrible. Need more shade in the parks and clean, well maintained bathrooms. There is more updating that can be done in Bille Park for example. Encourage businesses from all over to use our parks for their company events but we need good facilities. What about a convention center / retreat. Planned excursion events. Paradise area does have interesting outdoor, including quite interesting geology. People like to learn stuff and have guided educational tours and fun events. The whole Paradise lake area needs to be cleaned up with better facilities. Paradise has enormous potential.	Mar 8, 2011 10:45 AM
184	Wal-Mart and some decent clothing stores.	Mar 8, 2011 11:00 AM
185	Costco, Wal Mart, more restaraunts	Mar 8, 2011 11:02 AM
186	I like Paradise the way it is and don't mind taking the short trip to Chico for major items.	Mar 8, 2011 11:10 AM
187	Quality Restaurants.	Mar 8, 2011 11:23 AM
188	clothing for middle age and up,	Mar 8, 2011 11:29 AM
189	Major stores: Walmart, Costco	Mar 8, 2011 11:32 AM

222	Someone that can be competitive with stores like Winco and Wallmart	Mar 8, 2011 10:35 PM
223	I think we have a good mix of stores. If I knew I could find what I need I would have no reason to go to Chico. Maybe our local stores could be more pro-active in finding out what customers want them to carry and offering to stock it. I know Save Mart and Holiday are both really good about that. 272	i think the town leves so many 'fees' for a new business, you make it very hard to start one. a friend of mine just up graded his small building and what you ask just kept driving up the costs to him...which then he has to ask more rent....which makes it even harder for anyone to start a business. my church wanted to build a new sanuary...but we had to put a side walk and gutters in the width of the property...which the sidewalk did not connect to any other sidewalk and just stopped at a 'ditch'....this...cost with all the 'fees' charged amounted to \$50,000 , which was our 'seed' money to start the new building. so it was all shut down... so we did not higher building contractors, or did not help the economy by highering anyone. will you ever understand....when you keep taxing everything ( and call it just a FEE)...the economy will not grow!!! 424	It is not possible for Paradise to be all things to all people. I do not want big box stores or Walmart in Paradise, that would destroy the small town feel. Paradise should find a quality niche and cultivate a reputation for uniqueness. That would produce revenue. Take Nevada City for example. The Christmas Fair draws people from miles away and now there is a wine festival in that area. No one drives 100 miles to see a Walmart. Work on some theme and sell Paradise to the tourist public who drive all over California to see and spend in an unique venue.	Mar 12, 2011 12:36 PM
