The Paradise Town Council has approved a provisional fall burn period for outdoor burning from November 16 through December 19, 2010 for residents within the Town of Paradise.

A valid 2010 burn permit is required for this period, residents with an existing 2010 burn permit are not required to obtain a new permit for this period.

During this provisional burn period, residents on both the East and West sides are permitted to burn from 9:00 am to 2:00 pm on days as permitted by Air Quality Management. All residents are required to contact Air Quality Management at 896-2537 each day prior to burning to ensure it is a permissible burn day. All other requirements as stated on the burn permit must be followed.

For more information regarding residential burn permits for the Town of Paradise, please call 872-6206 or 872-6264. Butte County residents may contact the Cal Fire Prevention Bureau at (530) 538-7888 for burning in County areas.
