

TOWN OF PARADISE
NOTICE OF PUBLIC HEARING
TOWN COUNCIL

NOTICE IS HEREBY GIVEN by the Paradise Town Council that a public hearing will be held on Tuesday, **December 14, 2010** at 6:00 p.m., or as soon thereafter as possible, in the Town Hall Council Chambers, 5555 Skyway, Paradise, California, regarding the following matter:

Consideration of approving a **one-time only** 7.9% or a 5% (with related text amendment to the franchise agreement) monthly services rate increase to the Northern Recycling & Waste Services {NRWS} solid waste services rate schedule effective January 1, 2011. Pursuant to the binding provision of the solid waste/recycled materials services franchise agreement between the Town of Paradise and NRWS [Contractor], the proposed action is intended to secure the provision of the Contractor's compensation calculated and determined necessary to perform all its franchise required services during the coming rate year five of services operation. The Contractor's proposed compensation for rate year five shall be the only compensation due to Contractor for said rate year other than any "pass through" cost increase attributed to any newly adopted Neal Road Landfill gate fee increase.

Copies of the analysis report and related resolution document concerning the above referenced matter are available for public inspection at the Town Clerk's office and the Community Development Department in the Paradise Town Hall.

If you challenge any of the proposed adjusted fees in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Town Community Development Director at, or prior to, the public hearing. For further information please contact the Community Development Department (planning division), Town Hall, 5555 Skyway, Paradise, CA (530) 872-6291.
