TOWN OF PARADISE
"NO SPRAY" AGREEMENT

We, the undersigned property owners of _____, desire that the Town of Paradise not apply herbicide to the road shoulders and/or drainage ditches in the vicinity of our property located in the Town of Paradise. We agree to mark the limits of our property with white flags (provided by the Town of Paradise) and maintain these markings in a visible condition. We also agree to maintain the vegetation along the roadway by keeping it closely mowed or weeded, so as to allow the unimpeded flow of water, provide for pedestrian traffic, and provide and adequate fire safety buffer along the edge of pavement as required by the Town.

The Town of Paradise will strive to comply with the property owners wishes, and will make every effort not to spray areas mapped and properly marked as "no spray" areas. Not withstanding the foregoing, the Town of Paradise reserves the right to unilaterally terminate this agreement at any time, if, in the sole discretion of the Public Works Director/Town Engineer, this agreement would result in a threat to the public health or safety.
