It has been an honor to serve this community as your public servant on the Town Council, I will continue with the pledge I made to you in the beginning: that I will study the facts, ask hard questions, tell you the truth and make my decisions based on what's in the best interests of our community as a whole. My top priorities are: to keep our Town financially stable, reinstate fully staffed Public Safety departments, improve our streets and roads and rebuilding our economy so we can protect this Town we call home. You can count on me to be available to you and open and honest as I serve you on the council. For me local government is about serving the people and I will strive to keep it that way. Thank you for your continued support and trust.
