As the newest member of the Paradise Town Council my priorities include increasing public safety, repairing/maintaining roads and providing infrastructure to attract new businesses to town. We need to grow our business sector so that Paradise will be a healthy, vibrant community. I am passionate about having transparent, ethical government that is responsive to the people.

I served on the Paradise Planning Commission for 3 years and was the 2013 Chair. I recently retired after 34 years with Caltrans so that I could devote my attention to the work of the Town of Paradise. I was the Caltrans District 3 Director for 13 years, responsible for leading an organization of 1600 employees with a \$200 million operating budget and a construction program worth \$1.4 billion. I have significant experience managing a large, complex budget and was responsible for all project development work in 22 counties north of Sacramento. I have 34 years of experience working with local agencies on transportation and land use issues. I know how to get things done!

I'm endorsed by Senator Jim Nielsen, Paradise Councilmen Woody Culleton, John Rawlings, Greg Bolin and Paradise Mayor Scott Lotter. I'd be honored to earn your vote.
