

Notice to Consultants

Town of Paradise
Department of Public Works

Proposals for project entitled:

**Paradise Sewer Project – Preliminary Engineering and Environmental Services
Contract No. 19-10**

will be received at the Office of the Town of Paradise Town Clerk at 5555 Skyway, Paradise, California 95969 until December 5, 2019 at 4:00 PM (PST). The proposals shall be clearly marked "Paradise Sewer Project – Preliminary Engineering and Environmental Services".

DESCRIPTION OF WORK

This Request for Proposals (RFP) relates to Preliminary Engineering and Environmental Services relating to the Paradise Sewer Project. Qualified consultants will be required to build upon the recently completed Sewer Feasibility Study and complete the environmental phase for the Town. The Town proposes a new Waste Water Treatment Plant (WWTP) and collection system that will serve the commercial core, improve opportunities to grow the Town's economy, improve water quality, and create a sustainable community for years to come. Furthermore, the Town views this project as a key element to recovery from the Camp Fire.

PRE-PROPOSAL MEETING

No pre-proposal meeting is scheduled for this project.

OBTAINING THIS RFP

This RFP, along with any posted Addenda, if issued, will be posted on the Town of Paradise's website at:
