Media Release

Additional Skyway Utility Work at Maxwell Intersection

July 3, 2014

For further information, contact Marc Mattox at
(530) 872-6291 x125, Monday-Thursday, 8am to 5pm

Starting Tuesday, July 8, 2014, Ginno Construction crews will be performing utility location and connection work at the intersection of Skyway at Maxwell Drive. Work will require temporary traffic control in effect between the hours of 8AM and 4PM near the Maxwell Drive intersection. Motorists should expect various lane closures intermittently over the next few weeks. Traffic signal operation will be maintained throughout construction and motorists should not be delayed through the work area. All work is related to the new Big 5 Sporting Goods store construction at 7337 Skyway.

Ginno Construction Superintendent, Evan Carr may be reached at (530) 894-6852 with any questions regarding the work.
