Join me in continuing to restore the paradise to Paradise. As the Camp Fire has forever been etched in our minds, I ask for your continued support in serving the Town of Paradise. As an outspoken leader I stayed behind to evacuate fellow residents while delivering information & facts when it matters. My council votes have always been independent by putting residents first. My passion & heart for serving has allowed me to be an advocate and voice for the Town.

My top goals this term are to improve evacuation routes, restore downtown Skyway to 4 lanes, improve fire infrastructure (town-wide air siren, working reverse 911), wisely manage PG&E settlement funds so we never have to ask for another tax increase and create policies to streamline our building process while eliminating laws that don't work. We have many important decisions that will forever shape the future of Paradise. What made Paradise great was its people, its traditions, and its small-town values. Let us rebuild the future without forgetting our past. I have kept my promises I made in 2016 and will continue to do so. I ask for your vote.
