LOCAL AGENCY RESOLUTION**

NUMBER 10-07

**RESOLUTION AUTHORIZING AND APPROVING THE BORROWING
OF FUNDS FOR FISCAL YEAR 2010-2011; THE ISSUANCE AND SALE
OF A 2010-2011 TAX AND REVENUE ANTICIPATION NOTE
THEREFOR AND PARTICIPATION IN THE CALIFORNIA
COMMUNITIES CASH FLOW FINANCING PROGRAM**

WHEREAS, local agencies are authorized by Section 53850 to 53858, both inclusive, of the Government Code of the State of California (the "Act") (being Article 7.6, Chapter 4, Part 1, Division 2, Title 5 of the Government Code) to borrow money by the issuance of temporary notes;

WHEREAS, the legislative body (the "Legislative Body") of the local agency specified in Section 22 hereof (the "Local Agency") has determined that a sum (the "Principal Amount"), not to exceed the Maximum Amount of Borrowing specified in Section 22 hereof, which Principal Amount is to be confirmed and set in the Pricing Confirmation (as defined in Section 4 hereof), is needed for the requirements of the Local Agency, to satisfy obligations of the Local Agency, and that it is necessary that said Principal Amount be borrowed for such purpose at this time by the issuance of a note or notes therefore in anticipation of the receipt of taxes, income, revenue, cash receipts and other moneys to be received or accrued by the Local Agency for the general fund of the Local Agency, and provided for or attributable to its fiscal year ending June 30, 2011 ("Repayment Fiscal Year");

WHEREAS, the Local Agency hereby determines to borrow, for the purposes set forth above, the Principal Amount by the issuance of the Note, as hereinafter defined;

WHEREAS, it appears, and this Legislative Body hereby finds and determines, that the Principal Amount, when added to the interest payable thereon, does not exceed eighty-five percent (85%) of the estimated amount of the uncollected taxes, income, revenue (including, but not limited to, revenue from the state and federal governments), cash receipts and other moneys of the Local Agency provided for or attributable to the Repayment Fiscal Year, and available for the payment of the principal of the Note and the interest thereon;

WHEREAS, no money has heretofore been borrowed by or on behalf of the Local Agency through the issuance of tax and revenue anticipation notes or temporary notes in anticipation of the receipt of, or payable from or secured by, taxes, income, revenue, cash receipts or other moneys for the Repayment Fiscal Year;

WHEREAS, pursuant to Section 53856 of the Act, certain moneys which will be received or accrued by the Local Agency and provided for or attributable to the Repayment Fiscal Year can be pledged for the payment of the principal of the Note and the interest thereon (as hereinafter provided);

WHEREAS, the Local Agency has determined that it is in the best interests of the Local Agency to participate in the California Communities Cash Flow Financing Program (the “Program”), whereby participating local agencies (collectively, the “Issuers”) may simultaneously issue tax and revenue anticipation notes, or alternatively, each may issue its note on a stand-alone basis, dependent on market conditions;

WHEREAS, the Program requires the participating Issuers to sell their tax and revenue anticipation notes to the California Statewide Communities Development Authority (the “Authority”) pursuant to the note purchase agreements (collectively, the “Purchase Agreements”), each between such individual Issuer and the Authority, and date as of the date of the Pricing Confirmation, a form of which has been submitted to the Legislative Body;

WHEREAS, the Authority, in consultation with Greencoast Capital Partners LLC, as financial advisor for certain of the Issuers (the “Financial Advisor”) and the underwriter identified in Section 21 hereof (the “Underwriter”), will form one or more pools of notes (the “Pooled Notes”) and assign each note to a particular pool, including a single note to a particular pool (the “Pool”), and sell a series (the “Series”) of bonds, which may include with respect to a single Pool, a series of senior bonds and a series of subordinate bonds (the “Bonds”) secured by each Pool pursuant to an indenture (the “Indenture”) between the Authority and Wells Fargo Bank, National Association, as trustee (the “Trustee”), and each Series distinguished by whether or what type(s) of Credit Instrument (as hereinafter defined) secures such notes that are part of each Series, by the principal amounts of the notes assigned to the Pool, by whether interest on the Series of Bonds is a fixed rate of interest or a variable rate of interest swapped to a fixed rate by the Authority, by whether interest on the series of Bonds is includable in gross income for federal income tax purposes, or by other factors, all of which the Local Agency hereby acknowledges and approves the discretion of the Authority to assign the Note to such Pool and such Indenture as the Authority, in consultation with the Financial Advisor and the Underwriter may determine;

WHEREAS, as additional security for the Owners of the Bonds, all or a portion of the payments by the Local Agency or by the other Issuers of their respective notes assigned to such Series may or may not be secured either by an irrevocable letter (or letters) of credit or policy (or policies) of insurance or other credit instrument (or instruments) (collectively, the “Credit Instrument”) issued by the credit provider or credit providers designated in the Indenture, as finally executed (collectively, the “Credit Provider”), which may be issued pursuant to a credit agreement or agreements or commitment letter or letters designated in the Indenture (collectively, the “Credit Agreement”) between the Authority and the respective Credit Provider;

WHEREAS, the net proceeds of the Note may be invested by the Local Agency in Permitted Investments (as defined in the Indenture) or in any other investment permitted by the laws of the State of California, as now in effect and as hereafter amended, modified or supplemented from time to time;

WHEREAS, the Program requires that each participating Issuer approve the Indenture and the alternative forms of Credit Instruments, if any, in substantially the forms presented to the Legislative Body, or, in the case of the Credit Instruments, if any, if not presented, in a form which complies with such requirements and standards as may be determined

by the Legislative Body, with the final form of Indenture and type of Credit Instrument and corresponding Credit Agreement, if any, determined upon execution of the Pricing Confirmation by the Authorized Representative;

WHEREAS, pursuant to the Program, in the event that other Issuers participate with the Local Agency in a Series of bonds sold into a pool, each participating Issuer will be responsible for its share of (a) the fees of the Trustee and the costs of issuing the applicable Series of Bonds, and (b), if applicable, the fees of the Credit Provider (which shall be payable from, among other sources, moneys in the Costs of Issuance Fund established and held under the Indenture), the Issuer's allocable share of all Predefault Obligations and the Issuer's Reimbursement Obligations, if any (each as defined in the Indenture), and in the event that the Note is sold on a stand-alone basis, the Local Agency will be responsible for (a) the fees of the Trustee and the costs of issuing the applicable Series of Bonds, and (b), if applicable, the fees of the Credit Provider, all Predefault Obligations and the Issuer's Reimbursement Obligations, if any;

WHEREAS, pursuant to the Program, the Note and the Notes issued by other Issuers, if any, participating in the same Series (all as represented by a Series of Bonds) which will be secured by the Indenture to which such Pool will be assigned, will be offered for sale through negotiation with the Underwriter or directly to a purchaser or purchasers under the terms of a placement and/or bond purchase agreement approved by one or more authorized representatives set forth in Section 22 hereof (each, an "Authorized Representative");

WHEREAS, the Indenture provides, among other things, that for the benefit of Owners of Bonds and the Credit Provider, if any, the Local Agency shall provide notices of the occurrence of certain enumerated events, if deemed by the Local Agency to be material;

WHEREAS, the Local Agency has determined that it may be desirable to provide for the issuance of an additional parity note (the "Parity Note") during the Repayment Fiscal Year, the principal and interest on which are secured by Pledged Revenues, hereinafter defined, on a parity with the Note; and

WHEREAS, it is necessary to engage the services of certain professionals to assist the Local Agency in its participation in the Program;

NOW, THEREFORE, this Legislative Body hereby finds, determines, declares and resolves as follows:

Section 1. Recitals. All the above recitals are true and correct.

Section 2. Authorization of Issuance. This Legislative Body hereby determines to borrow solely for the purpose of anticipating taxes, income, revenue, cash receipts and other moneys to be received or accrued by the Local Agency for the general fund of the Local Agency and provided for or attributable to the Repayment Fiscal Year, by the issuance of a note or notes, pursuant to the provisions of the Act, designated the Local Agency's "2010 Tax and Revenue Anticipation Note," with an appropriate series designation if more than one note is issued (collectively, the "Note"), to be issued in the form of a fully registered note or notes in the Principal Amount thereof, to be dated the date of its delivery to the initial purchaser thereof, to

mature (with or without option of prior redemption at the election of the Local Agency) not more than 15 months thereafter on a date indicated on the face thereof and determined in the Pricing Confirmation (the "Maturity Date"), and to bear interest, payable on its Maturity Date (and if the Maturity Date is more than 12 months from the date of issuance, payable on the interim interest payment date set forth in the Pricing Confirmation) and computed upon the basis of a 360-day year consisting of twelve 30-day months, or a 365- or 366-day year, as the case may be, and actual days elapsed, at a rate or rates, if more than one Note is issued, not to exceed 12% per annum as determined in the Pricing Confirmation and indicated on the face of the Note (the "Note Rate"). If the Series of Bonds issued in connection with the Note is secured in whole or in part by a Credit Instrument or such Credit Instrument secures the Note in whole or in part and all principal of and interest on the Note is not paid in full at maturity or if payment of principal and/or interest on the Note is paid (in whole or in part) by a draw under, payment by or claim upon a Credit Instrument which draw or claim is not fully reimbursed on such date, such Note shall become a Defaulted Note (as defined in the Indenture), and the unpaid portion thereof (including the interest component, if applicable) thereof (or the portion (including the interest component, if applicable) thereof with respect to which a Credit Instrument applies for which reimbursement on a draw, payment or claim has not been fully made) shall be deemed outstanding and shall continue to bear interest thereafter until paid at the Default Rate (as defined in the Indenture). If the Note or the Series of Bonds issued in connection with the Note is unsecured in whole or in part and the Note is not fully paid at maturity, the unpaid portion thereof (or the portion thereof to which no Credit Instrument applies which is unpaid) shall be deemed outstanding and shall continue to bear interest thereafter until paid at the Default Rate. In each case set forth in the preceding two sentences, the obligation of the Local Agency with respect to such Defaulted Note or unpaid Note shall not be a debt or liability of the Local Agency prohibited by Article XVI, Section 18 of the California Constitution, and the Local Agency shall not be liable thereon except to the extent of any available revenues provided for or attributable to the Repayment Fiscal Year, as provided in Section 8 hereof. The percentage of the Note or the Series of Bonds issued in connection with the Note to which a Credit Instrument, if any, applies (the "Secured Percentage") shall be equal to the amount of the Credit Instrument divided by the aggregate amount of unpaid principal of and interest on notes (or portions thereof) of all Issuers of Notes that are part of such Series of Bonds, expressed as a percentage (but not greater than 100%) as of the maturity date. Both the principal of and interest on the Note shall be payable in lawful money of the United States of America.

The Note may be issued in conjunction with the note or notes of one or more other Issuers, if any, as part of the Program and within the meaning of Section 53853 of the Act.

Anything in this Resolution to the contrary notwithstanding, the Pricing Confirmation (defined below) may specify that a portion of the authorized Principal Amount of the Note shall be issued as a taxable Note the interest on which is includable in the gross income of the holder thereof for federal income tax purposes (a "Taxable Note"). In such event, the Taxable Note shall be issued with an appropriate series designation and other terms reflecting such taxability of interest income, including without limitation, a taxable Note Rate and a taxable Default Rate; the term Note, and other terms as appropriate, shall be deemed to include or refer to such Taxable Note; and the agreements, covenants and provisions set forth in this Resolution to be performed by or on behalf of the Local Agency shall be for the equal and proportionate

benefit, security and protection of the holder of any Note without preference, priority or distinction as to security or otherwise of any Note over another Note.

Section 3. Form of Note. The Note shall be issued in fully registered form without coupons and shall be substantially in the form and substance set forth in Exhibit A, as attached hereto and by reference incorporated herein, the blanks in said form to be filled in with appropriate words and figures as determined at closing.

Section 4. Sale of Note; Delegation. The Note may be sold to the Authority pursuant to the terms and provisions of the Purchase Agreement. The form of the Purchase Agreement, including the form of the pricing confirmation set forth as an exhibit thereto (the "Pricing Confirmation"), presented to this meeting is hereby approved; provided, however, in the event one or more Authorized Representatives decides it is in the best interest of the Local Agency to pursue a private placement of a Series of Bonds, an Authorized Representative may approve a different form of one or more Purchase Agreements and/or Pricing Confirmation. The Authorized Representatives are each hereby authorized and directed to execute and deliver such Purchase Agreement or Purchase Agreements and Pricing Confirmation in substantially said form, with such changes thereto as such Authorized Representative shall approve, such approval to be conclusively evidenced by his or her execution and delivery thereof; *provided, however*, that the Purchase Agreement shall not be effective and binding on the Local Agency until the execution and delivery of the Pricing Confirmation. The Authorized Representatives are each hereby further authorized and directed to execute and deliver the Pricing Confirmation in substantially said form, with such changes thereto as such Authorized Representative shall approve, such approval to be conclusively evidenced by his or her execution and delivery thereof; provided, however, that the interest rate on the Note shall not exceed 12% per annum, and that the Local Agency's *pro rata* share of Underwriter's discount on the Note, when added to the Local Agency's share of the costs of issuance of the Bonds, shall not exceed 1.0% of the Principal Amount of the Note and the Principal Amount shall not exceed the Maximum Amount of Borrowing; provided further, that there shall be no Underwriter's discount in the event of a private placement of the Series of Bonds, but such private placement will be subject to a placement fee to be approved by an Authorized Officer. Delivery of an executed copy of the Pricing Confirmation by fax or telecopy shall be deemed effective upon execution and delivery for all purposes.

Section 5. Program Approval. The Note may be combined with notes of other Issuers, if any, into a Series of Bonds, as may be described and set forth in the Preliminary Official Statement, hereinafter mentioned, and sold simultaneously with such other notes of that Series secured by the Credit Instrument (if any) referred to in the Pricing Confirmation.

The forms of Indenture and alternative general types and forms of Credit Agreements, if any, presented to this meeting or otherwise to the Legislative Body, are hereby approved, and it is acknowledged that the Authority will execute and deliver the Indenture and a Credit Agreement, if applicable, which shall be identified in the Pricing Confirmation, in substantially one or more of said forms (a substantially final form of Credit Agreement to be delivered to the Authorized Representative following the execution by the Authorized Representative of the Pricing Confirmation), with such changes therein as said officer shall require or approve, such approval of this Legislative Body and such officer to be conclusively

evidenced by the execution of the Indenture and the Credit Agreement, if any. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the final Official Statement. The Authorized Representative is hereby authorized and directed to comply with and carry out all of the provisions of the Indenture with respect to continuing disclosure; *provided, however*, that failure of the Local Agency to comply with the Continuing Disclosure Agreement, as defined in Article XI of the Indenture, shall not be considered an Event of Default hereunder. Any Credit Agreement identified in the Pricing Confirmation but not at this time before the Legislative Body shall include reasonable and customary terms and provisions relating to fees, increased costs of the Credit Provider, if any, payable by the Local Agency, negative and affirmative covenants of the Local Agency and events of default. The proposed form of preliminary offering document, which may be cast as a preliminary official statement, preliminary private offering memorandum or preliminary limited offering memorandum (the "Preliminary Official Statement") relating to the Series of Bonds, in substantially the form presented to this meeting or otherwise to the Legislative Body, is hereby approved with such changes, additions, completion and corrections as any Authorized Representative may approve, and the Underwriter is hereby authorized and directed to cause to be mailed to prospective bidders the Preliminary Official Statement in connection with the offering and sale of the Series of Bonds. Such Preliminary Official Statement, together with any supplements thereto, shall be in form "deemed final" by the Local Agency for purposes of Rule 15c2-12, promulgated by the Securities and Exchange Commission (the "Rule"), unless otherwise exempt, but is subject to revision, amendment and completion in a final official statement, private offering memorandum or limited offering memorandum (the "Official Statement"). The Official Statement in substantially said form is hereby authorized and approved, with such changes therein as any Authorized Representative may approve. The Authorized Representative is hereby authorized and directed, at or after the time of the sale of any Series of Bonds, for and in the name and on behalf of the Local Agency, to execute a final Official Statement in substantially the form of the Preliminary Official Statement presented to this meeting, with such additions thereto or changes therein as the Authorized Representative may approve, such approval to be conclusively evidenced by the execution and delivery thereof.

Any one of the Authorized Representatives of the Local Agency is hereby authorized and directed to provide the Financial Advisor or the Underwriter with such information relating to the Local Agency as they shall reasonably request for inclusion in the Preliminary Official Statement and Official Statement of the Authority. Upon inclusion of the information relating to the Local Agency therein, the Preliminary Official Statement is, except for certain omissions permitted by the Rule, hereby deemed final within the meaning of the Rule; *provided* that no representation is made as to the information contained in the Preliminary Official Statement relating to the other Issuers, if any, or any Credit Provider. If, at any time prior to the end of the underwriting period, as defined in the Rule, any event occurs as a result of which the information contained in the Preliminary Official Statement relating to the Local Agency might include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the Local Agency shall promptly notify the Underwriter or the Financial Advisor. The Authority is hereby authorized and directed, at or after the time of the sale of any Series of Bonds, for and in the name and on behalf of the Local Agency, to execute a final Official Statement in substantially the form of the Preliminary Official Statement presented to

this meeting, with such additions thereto or changes therein as the Authority may approve, such approval to be conclusively evidenced by the execution and delivery thereof.

Subject to Section 8 hereof, the Local Agency hereby agrees that if the Note shall become a Defaulted Note, the unpaid portion (including the interest component, if applicable) thereof or the portion (including the interest component, if applicable) to which a Credit Instrument applies for which full reimbursement on a draw, payment or claim has not been made by the Maturity Date shall be deemed outstanding and shall not be deemed to be paid until (i) any Credit Provider providing a Credit Instrument with respect to the Note or the Series of Bonds issued in connection with the Note, and therefore with respect to all or a portion of the Local Agency's Note, has been reimbursed for any drawings, payments or claims made under or from the Credit Instrument with respect to the Note, including interest accrued thereon, as provided therein and in the applicable Credit Agreement, and (ii) the holders of the Note or the Series of the Bonds issued in connection with the Note are paid the full principal amount represented by the unsecured portion of the Note plus interest accrued thereon (calculated at the Default Rate) to the date of deposit of such aggregate required amount with the Trustee. For purposes of clause (ii) of the preceding sentence, holders of the Series of Bonds will be deemed to have received such principal amount upon deposit of such moneys with the Trustee.

The Local Agency agrees to pay or cause to be paid, in addition to the amounts payable under the Note, any fees or expenses of the Trustee and, to the extent permitted by law, if the Local Agency's Note is secured in whole or in part by a Credit Instrument (by virtue of the fact that the Series of Bonds is secured by a Credit Instrument), any Predefault Obligations and Reimbursement Obligations (to the extent not payable under the Note), (i) arising out of an "Event of Default" hereunder (or pursuant to Section 7 hereof) or (ii) arising out of any other event (other than an event arising solely as a result of or otherwise attributable to a default by any other Issuer). In the case described in (ii) above with respect to Predefault Obligations, the Local Agency shall owe only the percentage of such fees, expenses and Predefault Obligations equal to the ratio of the principal amount of its Note over the aggregate principal amounts of all notes, including the Note, of the Series of which the Note is a part, at the time of original issuance of such Series. Such additional amounts will be paid by the Local Agency within twenty-five (25) days of receipt by the Local Agency of a bill therefor from the Trustee.

Section 6. No Joint Obligation; Owners' Rights. The Note shall be marketed and sold on either a stand-alone basis or simultaneously with the notes of other Issuers, if any, and aggregated and combined with notes of such other Issuers participating in the Program, and assigned to secure a Series of Bonds, representing an interest in several, and not joint, obligations of each such Issuer. The obligation of the Local Agency to Owners is a several and not a joint obligation and is strictly limited to the Local Agency's repayment obligation under this Resolution and the Note.

Owners of Bonds, to the extent of their interest in the Note, and the Credit Provider, if any, shall be treated as owners of the Note and shall be entitled to all the rights and security thereof in accordance with the Indenture, including the right to enforce the obligations and covenants contained in this Resolution and the Note. The Local Agency hereby recognizes the right of the Owners and the Credit Provider, if any, acting directly or through the Trustee to enforce the obligations and covenants contained in the Note, this Resolution and the Indenture.

The Local Agency shall be directly obligated to each Owner for the principal and interest payments on the Note without any right of counterclaim or offset arising out of any act or failure to act on the part of the Trustee.

Section 7. Disposition of Proceeds of Note. The moneys received from the sale of the Note allocable to the Local Agency's costs related to the issuance of the Notes and Series of Bonds (if sold on a stand-alone basis) or the Local Agency's share of the costs of issuance (which shall include any issuance fees in connection with a Credit Instrument applicable to the Note, if any) shall be deposited in the Costs of Issuance Fund held and invested by the Trustee under the Indenture and expended on costs of issuance as provided in the Indenture. The moneys received from the sale of the Note (net of the Local Agency's costs related to the issuance of the Notes and Series of Bonds (if sold on a stand-alone basis) or the Local Agency's share of the costs of issuance) shall be deposited in the Local Agency's Proceeds Subaccount within the Proceeds Fund hereby authorized to be created pursuant to, and held and invested by the Trustee under, the Indenture for the Local Agency and said moneys may be used and expended by the Local Agency for any purpose for which it is authorized to expend funds upon requisition from the Proceeds Subaccount as specified in the Indenture. Amounts in the Proceeds Subaccount are hereby pledged to the payment of the Note.

The Trustee will not create subaccounts within the Proceeds Fund, but will keep records to account separately for proceeds of the Bonds allocable to the Local Agency's Note on deposit in the Proceeds Fund which shall constitute the Local Agency's Proceeds Subaccount.

Section 8. Source of Payment. The principal amount of the Note, together with the interest thereon, shall be payable from taxes, income, revenue (including, but not limited to, revenue from the state and federal governments), cash receipts and other moneys which are accrued, received or held by the Local Agency for the general fund of the Local Agency and are provided for or attributable to the Repayment Fiscal Year and which are available for payment thereof. As security for the payment of the principal of and interest on the Note, the Local Agency hereby pledges all Unrestricted Revenues (as hereinafter provided, the "Pledged Revenues") which are accrued, received or held by the Local Agency for the general fund of the Local Agency and are provided for or attributable to the Repayment Fiscal Year, and the principal of the Note and the interest thereon shall constitute a first lien and charge thereon and shall be payable from the first moneys received by the Local Agency from such Pledged Revenues and, to the extent not so paid, shall be paid from any other taxes, income, revenue, cash receipts and other moneys of the Local Agency lawfully available therefor (all as provided for in Sections 53856 and 53857 of the Act). The term "Unrestricted Revenues" shall mean all taxes, income, revenue (including, but not limited to, revenue from the state and federal governments), cash receipts, and other moneys, intended as receipts for the general fund of the Local Agency provided for or attributable to the Repayment Fiscal Year and which are generally available for the payment of current expenses and other obligations of the Local Agency. The holders of the Notes, Owners and Credit Provider, if any, shall have a first lien and charge on such Unrestricted Revenues as herein provided which are accrued, received or held by the Local Agency and are provided for or attributable to the Repayment Fiscal Year. The Local Agency may incur indebtedness secured by a pledge of its Pledged Revenues subordinate to the pledge of Pledged Revenues hereunder and may issue subordinate tax and revenue anticipation notes.

In order to effect the pledge referenced in the preceding paragraph, the Local Agency hereby agrees to the establishment and maintenance of a special account of the Local Agency (the "Payment Account") by the Trustee as the responsible agent to maintain such an account until the payment of the principal of the Note and the interest thereon, and the Local Agency further agrees to cause to be deposited in the Payment Account the first amounts received in the months specified in the Pricing Confirmation as Repayment Months (each individual month a "Repayment Month" and collectively "Repayment Months") (and any amounts received thereafter provided for or attributable to the Repayment Fiscal Year) until the amount on deposit in the Payment Account, is equal in the respective Repayment Months identified in the Pricing Confirmation to the percentage of the principal and interest due on the Note specified in the Pricing Confirmation. Any such deposit may take into consideration anticipated investment earnings on amounts deposited in an Investment Agreement, that is a Permitted Investment, as defined in the Indenture, through the Maturity Date. Transfers from the Payment Account shall be made in accordance with the Indenture.

Any Authorized Representative of the Local Agency is hereby authorized to approve the determination of the Repayment Months and percentages of the principal and interest due on the Note required to be on deposit in the Payment Account in each Repayment Month, all as specified in the Pricing Confirmation, by executing and delivering the Pricing Confirmation, such execution and delivery to be conclusive evidence of approval by this Legislative Body and such Authorized Representative; provided, however, that the maximum number of Repayment Months shall be six. In the event on the day in each such Repayment Month that a deposit to the Payment Account is required to be made, the Local Agency has not received sufficient unrestricted revenues to permit the deposit into the Payment Account of the full amount of Pledged Revenues to be deposited in the Payment Account from said unrestricted revenues in said month, then the amount of any deficiency shall be satisfied and made up from any other moneys of the Local Agency lawfully available for the payment of the principal of the Note and the interest thereon, as and when such other moneys are received or are otherwise legally available.

Any moneys placed in the Payment Account shall be for the benefit of (i) the owner of the Note and the holders of Bonds issued in connection with the Notes (ii) (to the extent provided in the Indenture) the Credit Provider, if any. The moneys in the Payment Account shall be applied only for the purposes for which the Payment Account is created until the principal of the Note and all interest thereon are paid or until provision has been made for the payment of the principal of the Note at maturity with interest to maturity (in accordance with the requirements for defeasance of the Bonds as set forth in the Indenture) and (to the extent provided in the Indenture and, if applicable, the Credit Agreement) the payment of all Predefault Obligations and Reimbursement Obligations owing to the Credit Provider, if any.

The Local Agency hereby directs the Trustee to transfer on the Note Payment Deposit Date (as defined in the Indenture), any moneys in the Payment Account to the Bond Payment Fund (as defined in the Indenture). In the event that moneys in the Payment Account are insufficient to pay the principal of and interest on the Note in full when due, such moneys shall be applied in the following priority: first, to pay interest on the Note; second, to pay principal of the Note; third, to reimburse the Credit Provider for payment, if any, of interest with respect to the Note; fourth, to reimburse the Credit Provider for payment, if any, of principal

with respect to the Note; and fifth, to pay any Reimbursement Obligations of the Local Agency and any of the Local Agency's pro rata share of Predefault Obligations owing to the Credit Provider, if any. Any moneys remaining in or accruing to the Payment Account after the principal of the Note and the interest thereon and any Predefault Obligations and Reimbursement Obligations, if applicable, have been paid, or provision for such payment has been made, shall be transferred to the general fund of the Local Agency, subject to any other disposition required by the Indenture, or, if applicable, the Credit Agreement. Nothing herein shall be deemed to relieve the Local Agency from its obligation to pay its Note in full on the Maturity Date.

Moneys in the Proceeds Subaccount and in the Payment Account shall be invested by the Trustee pursuant to the Indenture as directed by the Local Agency in Permitted Investments as described in and under the terms of the Indenture. Any such investment by the Trustee shall be for the account and risk of the Local Agency, and the Local Agency shall not be deemed to be relieved of any of its obligations with respect to the Note, the Predefault Obligations or Reimbursement Obligations, if any, by reason of such investment of the moneys in its Proceeds Subaccount or the Payment Account.

The Local Agency shall promptly file with the Trustee and the Credit Provider, if any, such financial reports at the times and in the forms required by the Indenture. At the written request of the Credit Provider, if any, the Local Agency shall, within ten (10) Business Days following the receipt of such written request, file such report or reports to evidence the transfer to and deposit in the Payment Account required by this Section 8 and provide such additional financial information as may be required by the Credit Provider, if any.

Anything herein to the contrary notwithstanding, the Local Agency may at any time during the Repayment Fiscal Year issue a Parity Note, in an amount not to exceed \$2,000,000, secured by a first lien and charge on Pledged Revenues; provided that (i) the rating on such Parity Note (or related series of bonds if sold into a pool) shall not be less than the rating on the Series of Bonds related to the Note, (ii) the maturity date of any such Parity Note shall be later than the outstanding Note and (iii) the Local Agency shall have received the written consent of the Credit Provider, if any, to the issuance of the Parity Note by the Local Agency. In the event that the Local Agency issues a Parity Note, the Local Agency shall make appropriate deposits into the Payment Account with respect to such Parity Note, and in such event, the Payment Account shall also be held for the benefit of the holders of the Parity Note.

Section 9. Execution of Note. Any one of the Authorized Representatives of the Local Agency or any other officer designated by the Legislative Body shall be authorized to execute the Note by manual or facsimile signature, and the Secretary or Clerk of the Legislative Body of the Local Agency or any duly appointed assistant thereto shall be authorized to countersign the Note by manual or facsimile signature. Said officers of the Local Agency are hereby authorized to cause the blank spaces of the Note to be filled in as may be appropriate pursuant to the Pricing Confirmation. Said officers are hereby authorized and directed to cause the Trustee, as registrar and authenticating agent, to accept delivery of the Note pursuant to the terms and conditions of the Purchase Agreement and Indenture. In case any officer whose signature shall appear on any Note shall cease to be such officer before the delivery of such Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if

such officer had remained in office until delivery. The Note need not bear the seal of the Local Agency, if any.

Section 10. Representations and Covenants of the Local Agency. The Local Agency makes the following representations for the benefit of the holder of the note, the owners of the Bonds, the Underwriter and the Credit Provider, if any.

(A) The Local Agency is duly organized and existing under and by virtue of the laws of the State of California and has all necessary power and authority (i) to adopt this Resolution and perform its obligations thereunder, (ii) to enter into and perform its obligations under the Purchase Agreement, and (iii) to issue the Note and perform its obligations thereunder.

(B) Upon the issuance of the Note, the Local Agency shall have taken all action required to be taken by it to authorize the issuance and delivery of the Note and the performance of its obligations thereunder, and the Local Agency has full legal right, power and authority to issue and deliver the Note.

(C) The issuance of the Note, the adoption of the Resolution and the execution and delivery of the Purchase Agreement, Indenture and Credit Agreement, if any, and compliance with the provisions hereof and thereof will not conflict with or violate any law, administrative regulation, court decree, resolution, charter, by-laws or other agreement to which the Local Agency is subject or by which it is bound.

(D) Except as may be required under blue sky or other securities laws of any state or Section 3(a)(2) of the Securities Act of 1933, there is no consent, approval, authorization or other order of, or filing with, or certification by, any regulatory authority having jurisdiction over the Local Agency required for the issuance and sale of the Note or the consummation by the Local Agency of the other transactions contemplated by this Resolution, except those the Local Agency shall obtain or perform prior to or upon the issuance of the Note.

(E) The Local Agency has (or will have prior to the issuance of the Note) duly, regularly and properly adopted a preliminary budget for the Repayment Fiscal Year setting forth expected revenues and expenditures and has complied with all statutory and regulatory requirements with respect to the adoption of such budget. The Local Agency hereby covenants that it shall (i) duly, regularly and properly prepare and adopt its final budget for the Repayment Fiscal Year, (ii) provide to the Trustee, the Credit Provider, if any, the Financial Advisor and the Underwriter (or holder of the Series of Bonds in the event of a private placement), promptly upon adoption, copies of such final budget and of any subsequent revisions, modifications or amendments thereto and (iii) comply with all applicable laws pertaining to its budget.

(F) The sum of the principal amount of the Local Agency's Note plus the interest payable thereon, on the date of its issuance, will not exceed fifty percent (50%) of the estimated amounts of the Local Agency's uncollected taxes, income, revenue (including, but not limited to, revenue from the state and federal governments), cash receipts, and other moneys to be received or accrued by the Local Agency for the general fund of the Local Agency and provided for or attributable to the Repayment Fiscal Year all of which will be legally available to pay principal of and interest on the Note.

(G) The Local Agency (i) has not defaulted within the past twenty (20) years, and is not currently in default, on any debt obligation and (ii), to the best knowledge of the Local Agency, has never defaulted on any debt obligation.

(H) The Local Agency's most recent audited financial statements present fairly the financial condition of the Local Agency as of the date thereof and the results of operation for the period covered thereby. Except as has been disclosed to the Financial Advisor and the Underwriter and the Credit Provider, if any, and in the Preliminary Official Statement and to be set forth in the final Official Statement, there has been no change in the financial condition of the Local Agency since the date of such audited financial statements that will in the reasonable opinion of the Local Agency materially impair its ability to perform its obligations under this Resolution and the Note. The Local Agency agrees to furnish to the Financial Advisor and the Underwriter (or holders of the Series of Bonds in the event of a private placement), the Authority, the Trustee and the Credit Provider, if any, promptly, from time to time, such information regarding the operations, financial condition and property of the Local Agency as such party may reasonably request.

(I) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, arbitrator, governmental or other board, body or official, pending or, to the best knowledge of the Local Agency, threatened against or affecting the Local Agency questioning the validity of any proceeding taken or to be taken by the Local Agency in connection with the Note, the Purchase Agreement, the Indenture, the Credit Agreement, if any, or this Resolution, or seeking to prohibit, restrain or enjoin the execution, delivery or performance by the Local Agency of any of the foregoing, or wherein an unfavorable decision, ruling or finding would have a materially adverse effect on the Local Agency's financial condition or results of operations or on the ability of the Local Agency to conduct its activities as presently conducted or as proposed or contemplated to be conducted, or would materially adversely affect the validity or enforceability of, or the authority or ability of the Local Agency to perform its obligations under, the Note, the Purchase Agreement, the Indenture, the Credit Agreement, if any, or this Resolution.

(J) Upon issuance of the Note and execution of the Purchase Agreement, this Resolution, the Purchase Agreement (including the Pricing Confirmation) and the Note will constitute legal, valid and binding agreements of the Local Agency, enforceable in accordance with their respective terms, except as such enforceability may be limited by bankruptcy or other laws affecting creditors' rights generally, the application of equitable principles if equitable remedies are sought, the exercise of judicial discretion in appropriate cases and the limitations on legal remedies against local agencies, as applicable, in the State of California.

(K) The Local Agency and its appropriate officials have duly taken, or will take, all proceedings necessary to be taken by them, if any, for the levy, receipt, collection and enforcement of the Pledged Revenues in accordance with law for carrying out the provisions of this Resolution and the Note.

(L) Except for Parity Notes, if any, pursuant to Section 8 hereof, the Local Agency shall not incur any indebtedness secured by a pledge of its Pledged Revenues unless such pledge is subordinate in all respects to the pledge of Pledged Revenues hereunder.

(M) So long as the Credit Provider, if any, is not in payment default under the Credit Instrument, the Local Agency hereby agrees to pay its pro rata share of all Predefault Obligations and all Reimbursement Obligations attributable to the Local Agency in accordance with provisions of the Credit Agreement, if any, and/or the Indenture, as applicable. Prior to the Maturity Date, moneys in the Local Agency's Payment Account and/or Payment Subaccount shall not be used to make such payments. The Local Agency shall pay such amounts promptly upon receipt of notice from the Credit Provider that such amounts are due to it.

(N) So long as any Bonds issued in connection with the Notes are Outstanding, or any Predefault Obligation or Reimbursement Obligation is outstanding, the Local Agency will not create or suffer to be created any pledge of or lien on the Note other than the pledge and lien of the Indenture.

(O) The information describing the Local Agency contained in the Official Statement (excluding the statements and information pertaining to the Credit Provider, if any, and information under the heading "UNDERWRITING" or "PLACEMENT" and in the Appendix entitled "BOOK-ENTRY ONLY SYSTEM"), as of the time of delivery thereof to the Underwriter and at all times subsequent thereto up to and including the Closing, will be true, complete, correct and final in all material respects and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(P) The information contained in the Credit Questionnaire (including the Cashflow Worksheet therein) (the "Credit Questionnaire") completed by the Local Agency and submitted to the Authority and the Underwriter (or holders of the Series of Bonds in the event of a private placement), will be at the time submitted and on the Closing Date true and accurate.

Section 11. Tax Covenants. The Local Agency will not take any action or fail to take any action if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on the Note or Bonds under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"). Without limiting the generality of the foregoing, the Local Agency will not make any use of the proceeds of the Note or Bonds or any other funds of the Local Agency which would cause the Note or Bonds to be an "arbitrage bond" within the meaning of Section 148 of the Code, a "private activity bond" within the meaning of Section 141(a) of the Code, or an obligation the interest on which is subject to federal income taxation because it is "federally guaranteed" as provided in Section 149(b) of the Code. The Local Agency, with respect to the proceeds of the Note, will comply with all requirements of such sections of the Code and all regulations of the United States Department of the Treasury issued or applicable thereunder to the extent that such requirements are, at the time, applicable and in effect.

The Local Agency hereby (i) represents that the aggregate face amount of all tax-exempt obligations (including any tax-exempt leases, but excluding private activity bonds), issued and to be issued by the Local Agency during calendar year 2010, including the Note, is not reasonably expected to exceed \$5,000,000; **or, in the alternative,** (ii) covenants that the Local Agency will take all legally permissible steps necessary to ensure that all of the gross

proceeds of the Note will be expended no later than the day that is six months after the date of issuance of the Note so as to satisfy the requirements of Section 148(f)(4)(B) of the Code.

Notwithstanding any other provision of this Resolution to the contrary, upon the Local Agency's failure to observe, or refusal to comply with, the covenants contained in this Section 11, no one other than the holders or former holders of the Note, the Owners, the Credit Provider, if any, or the Trustee on their behalf shall be entitled to exercise any right or remedy under this Resolution on the basis of the Local Agency's failure to observe, or refusal to comply with, such covenants.

The covenants contained in this Section 11 shall survive the payment of the Note.

The provisions of this Section 11 shall not apply to a Taxable Note.

Section 12. Events of Default and Remedies.

If any of the following events occur, it is hereby defined as and declared to be and to constitute an "Event of Default":

(a) Failure by the Local Agency to make or cause to be made the transfers and deposits to the Payment Account, or any other payment required to be paid hereunder, including payment of principal and interest on the Note, on or before the date on which such transfer, deposit or other payment is due and payable;

(b) Failure by the Local Agency to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Resolution, for a period of fifteen (15) days after written notice, specifying such failure and requesting that it be remedied, is given to the Local Agency by the Trustee or the Credit Provider, if applicable, unless the Trustee and the Credit Provider shall agree in writing to an extension of such time prior to its expiration;

(c) Any warranty, representation or other statement by or on behalf of the Local Agency contained in this Resolution or the Purchase Agreement (including the Pricing Confirmation) or in any requisition or any financial report delivered by the Local Agency or in any instrument furnished in compliance with or in reference to this Resolution or the Purchase Agreement or in connection with the Note, is false or misleading in any material respect;

(d) A petition is filed against the Local Agency under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect and is not dismissed within 30 days after such filing, but the Trustee shall have the right to intervene in the proceedings prior to the expiration of such 30 days to protect its and the Bond Owners' (or Noteholders') interests;

(e) The Local Agency files a petition in voluntary bankruptcy or seeking relief under any provision of any bankruptcy, reorganization,

arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any petition against it under such law; or

(f) The Local Agency admits insolvency or bankruptcy or is generally not paying its debts as such debts become due, or becomes insolvent or bankrupt or makes an assignment for the benefit of creditors, or a custodian (including without limitation a receiver, liquidator or trustee) of the Local Agency or any of its property is appointed by court order or takes possession thereof and such order remains in effect or such possession continues for more than 30 days, but the Trustee shall have the right to intervene in the proceedings prior to the expiration of such 30 days to protect its and the Bond Owners' (or Noteholders') interests;

Whenever any Event of Default referred to in this Section 12 shall have happened and be continuing, the Trustee, as holder of the Note, shall, in addition to any other remedies provided herein or by law or under the Indenture, have the right, at its option without any further demand or notice, to take one or any combination of the following remedial steps:

(a) Without declaring the Note to be immediately due and payable, require the Local Agency to pay to the Trustee, as holder of the Note, an amount equal to the principal of the Note and interest thereon to maturity, plus all other amounts due hereunder, and upon notice to the Local Agency the same shall become immediately due and payable by the Local Agency without further notice or demand; and

(b) Take whatever other action at law or in equity (except for acceleration of payment on the Note) which may appear necessary or desirable to collect the amounts then due and thereafter to become due hereunder or to enforce any other of its rights hereunder.

Notwithstanding the foregoing, if the Local Agency's Note is secured in whole or in part by a Credit Instrument or if the Credit Provider is subrogated to rights under the Local Agency's Note, as long as the Credit Provider is not in default of its payment obligations under the Credit Instrument, the Credit Provider, if any, shall have the right to direct the remedies upon any Event of Default hereunder, and the Credit Provider's prior consent shall be required to any remedial action proposed to be taken by the Trustee hereunder.

If the Credit Provider is not reimbursed for any drawing, payment or claim, as applicable, used to pay principal of and interest on the Note due to a default in payment on the Note by the Local Agency, or if any principal of or interest on the Note remains unpaid after the Maturity Date, the Note shall be a Defaulted Note, the unpaid portion (including the interest component, if applicable) thereof or the portion (including the interest component, if applicable) to which a Credit Instrument applies for which reimbursement on a draw, payment or claim has not been made shall be deemed outstanding and shall bear interest at the Default Rate until the Local Agency's obligation on the Defaulted Note is paid in full or payment is duly provided for, all subject to Section 8 hereof.

Section 13. Trustee. The Trustee is hereby appointed as paying agent and registrar for the Note. The Local Agency hereby directs and authorizes the payment by the Trustee of the interest on and principal of the Note when such become due and payable, from the Payment Account held by the Trustee in the name of the Local Agency in the manner set forth herein. The Local Agency hereby covenants to deposit funds in such account at the time and in the amount specified herein to provide sufficient moneys to pay the principal of and interest on the Note on the day on which it matures. Payment of the Note shall be in accordance with the terms of the Note and this Resolution.

The Local Agency hereby agrees to maintain as paying agent and registrar of the Note, the Trustee under the Indenture.

Section 14. Sale of Note; Payment of Certain Expenses if Sale Does Not Occur. The Note shall be sold to the Authority, in accordance with the terms of the Purchase Agreement, hereinbefore approved, issued and payable to the Trustee, as assignee of the Authority. In the event that the Local Agency determines not to proceed with the issuance and sale of its Note, the Local Agency will nevertheless be responsible for the fees of the rating agencies and other direct out-of-pocket expenses incurred in connection with the Program.

Section 15. Approval of Actions. The aforementioned Authorized Representatives of the Local Agency are hereby authorized and directed to execute the Note and cause the Trustee to accept delivery of the Note, pursuant to the terms and conditions of this Resolution, the Purchase Agreement and the Indenture. All actions heretofore taken by the officers and agents of the Local Agency or this Legislative Body with respect to the sale and issuance of the Note and participation in the Program are hereby approved, confirmed and ratified, and the Authorized Representatives and agents of the Local Agency are hereby authorized and directed, for and in the name and on behalf of the Local Agency, to do any and all things and take any and all actions and execute any and all certificates, agreements and other documents which they, or any of them, may deem necessary or advisable in order to consummate the lawful issuance and delivery of the Note in accordance with, and related transactions contemplated by, this Resolution. Each of the Authorized Representatives of the Local Agency referred to in Section 22 hereof is hereby designated as an "Authorized Local Agency Representative" under the Indenture.

In the event that the Note or a portion thereof is secured by a Credit Instrument, any Authorized Representative of the Local Agency is hereby authorized and directed to provide the Credit Provider, with any and all information relating to the Local Agency as such Credit Provider may reasonably request.

Section 16. Proceedings Constitute Contract. The provisions of the Note and of this Resolution shall constitute a contract between the Local Agency and the registered owner of the Note and the Credit Provider, if any, and such provisions shall be enforceable by mandamus or any other appropriate suit, action or proceeding at law or in equity in any court of competent jurisdiction, and shall be irrevocable. The Credit Provider, if any, is a third party beneficiary of the provisions of this Resolution and the Note.

Section 17. Limited Liability. Notwithstanding anything to the contrary contained herein or in the Note or in any other document mentioned herein or related to the Note or to any Series of Bonds to which the Note may be assigned, the Local Agency shall not have any liability hereunder or by reason hereof or in connection with the transactions contemplated hereby except to the extent payable from moneys available therefor as set forth in Section 8 hereof.

Section 18. Amendments. At any time or from time to time, the Local Agency may adopt one or more Supplemental Resolutions with the written consents of the Authority and the Credit Provider, if any, but without the necessity for consent of the owner of the Note or of the Bonds issued in connection with the Note for any one or more of the following purposes:

(a) to add to the covenants and agreements of the Local Agency in this Resolution, other covenants and agreements to be observed by the Local Agency which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(b) to add to the limitations and restrictions in this Resolution, other limitations and restrictions to be observed by the Local Agency which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(c) to confirm, as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by, this Resolution, of any monies, securities or funds, or to establish any additional funds or accounts to be held under this Resolution;

(d) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Resolution; or

(e) to amend or supplement this Resolution in any other respect;

provided, however, that any such Supplemental Resolution does not adversely affect the interests of the owner of the Note or of the Bonds issued in connection with the Notes.

Any modifications or amendment of this Resolution and of the rights and obligations of the Local Agency and of the owner of the Note or of the Bonds issued in connection with the Notes may be made by a Supplemental Resolution, with the written consents of the Authority and the Credit Provider, if any, and with the written consent of the owners of at least a majority in principal amount of the Note and of the Bonds issued in connection with the Notes outstanding at the time such consent is given; *provided, however*, that if such modification or amendment will, by its terms, not take effect so long as the Note or any or of the Bonds issued in connection with the Notes remain outstanding, the consent of the owners of such Note or of the Bonds issued in connection with the Notes shall not be required. No such modification or amendment shall permit a change in the maturity of the Note or a reduction of the principal amount thereof or an extension of the time of any payment thereon or a reduction of the rate of interest thereon, or a change in the date or amounts of the pledge set forth in this Resolution, without the consent of the owners of such Note or the owners of all of the Bonds issued in connection with the Notes, or shall reduce the percentage of the Note or the owners of all of the

Bonds issued in connection with the Notes, the consent of the owners of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of the Trustee without its written assent thereto.

Section 19. Severability. In the event any provision of this Resolution shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

Section 20. Appointment of Bond Counsel. The Local Agency approves and consents to the appointment of the law firm of Orrick, Herrington & Sutcliffe LLP, Los Angeles, California as Bond Counsel for the Program. The Local Agency acknowledges that Bond Counsel regularly performs legal services for many private and public entities in connection with a wide variety of matters, and that Bond Counsel has represented, is representing or may in the future represent other public entities, underwriters, trustees, rating agencies, insurers, credit enhancement providers, lenders, financial and other consultants who may have a role or interest in the proposed financing or that may be involved with or adverse to Local Agency in this or some other matter. Given the special, limited role of Bond Counsel described above, the Local Agency acknowledges that no conflict of interest exists or would exist, waives any conflict of interest that might appear to exist, and consents to any and all such relationships.

Section 21. Appointment of Financial Advisor and Underwriter. The Local Agency approves the appointment of Greencoast Capital Partners LLC as financial advisor for the Local Agency, and any Authorized Representative is authorized to execute an agreement for financial advisory services with such firm, substantially in the form presented to this meeting. The Local Agency approves and consents to the appointment of J.P Morgan Securities Inc., as senior manager, together with Barclays Capital Inc., Merrill Lynch & Co. and E. J. De La Rosa & Co., Inc, as co-managers, collectively as Underwriter for the Program.

REGISTERED OWNER: WELLS FARGO BANK, NATIONAL ASSOCIATION

PRINCIPAL AMOUNT: \$

FOR VALUE RECEIVED, the Local Agency executing this Note (the "Local Agency") acknowledges itself indebted, and promises to pay, to the registered owner identified above, or registered assigns, on the maturity date set forth above, the principal sum specified above in lawful money of the United States of America, and to pay interest thereon on each Interest Payment Date, as defined in the Indenture, at the Interest Rate specified above (the "Note Rate"). Principal of and interest on this Note are payable in such coin or currency of the United States as at the time of payment is legal tender for payment of private and public debts, such principal to be paid upon surrender hereof at the principal corporate trust office of Wells Fargo Bank, National Association in Los Angeles, California, or its successor in trust (the "Trustee"). Interest is payable as specified in the Indenture. Interest shall be calculated on the basis of a 360-day year, consisting of twelve 30-day months, in like lawful money from the date hereof until the maturity date specified above and, if funds are not provided for payment at maturity, thereafter on the basis of a 360-day year for actual days elapsed until payment in full of said principal sum. Both the principal of and interest on this Note shall be payable only to the registered owner hereof upon surrender of this Note as the same shall fall due; *provided, however*, no interest shall be payable for any period after maturity during which the holder hereof fails to properly present this Note for payment. If the Local Agency fails to pay this Note when due or the Credit Provider (as defined in the Resolution hereinafter described), if any, is not reimbursed in full for the amount drawn on or paid pursuant to the Credit Instrument (as defined in the Resolution) to pay all or a portion of this Note on the date of such payment, this Note shall become a Defaulted Note (as defined and with the consequences set forth in the Resolution).

It is hereby certified, recited and declared that this Note (the "Note") represents the authorized issue of the Note in the aggregate principal amount made, executed and given pursuant to and by authority of certain resolutions of the Legislative Body of the Local Agency

duly passed and adopted heretofore, under and by authority of Article 7.6 (commencing with Section 53850) of Chapter 4, Part 1, Division 2, Title 5 of the California Government Code (collectively, the "Resolution"), to all of the provisions and limitations of which the owner of this Note, by acceptance hereof, assents and agrees.

The principal of the Note, together with the interest thereon, shall be payable from taxes, income, revenue, cash receipts and other moneys which are received or accrued by the Local Agency for the general fund of the Local Agency and are provided for or attributable to the Repayment Fiscal Year, as defined in the Resolution, and which are available for payment thereof. As security for the payment of the principal of and interest on the Note, the Local Agency has pledged the first amounts of unrestricted revenues of the Local Agency received in the Repayment Months (as defined in the Resolution) identified in the Pricing Confirmation (as defined in the Resolution) (and any amounts received thereafter provided for or attributable to the Repayment Fiscal Year) until the amount on deposit in the Payment Account (as defined in the Resolution) in each such month, is equal to the corresponding percentages of principal of and interest due on the Note as set forth in the Pricing Confirmation (such pledged amounts being hereinafter called the "Pledged Revenues"), and the principal of the Note and the interest thereon shall constitute a first lien and charge thereon and shall be payable from the Pledged Revenues, and to the extent not so paid shall be paid from any other moneys of the Local Agency lawfully available therefor as set forth in the Resolution. The full faith and credit of the Local Agency is not pledged to the payment of the principal or interest on this Note.

The Local Agency and the Trustee may deem and treat the registered owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes, and the Local Agency and the Trustee shall not be affected by any notice to the contrary.

It is hereby certified that all of the conditions, things and acts required to exist, to have happened and to have been performed precedent to and in the issuance of this Note do exist, have happened and have been performed in due time, form and manner as required by the Constitution and statutes of the State of California and that the amount of this Note, together with all other indebtedness of the Local Agency, does not exceed any limit prescribed by the Constitution or statutes of the State of California.

IN WITNESS WHEREOF, the Legislative Body of the Local Agency has caused this Note to be executed by the manual or facsimile signature of a duly Authorized Representative of the Local Agency and countersigned by the manual or facsimile signature of the Secretary or Clerk of the Legislative Body as of the date of authentication set forth below.

PURCHASE AGREEMENT

THIS PURCHASE AGREEMENT (the “Purchase Agreement”), dated as of the purchase date (the “Purchase Date”) specified in Exhibit A attached hereto and made a part hereof, entered into by and between the signatory local agency designated in Exhibit A (the “Local Agency”) and the California Statewide Communities Development Authority (the “Authority”), for the sale and delivery of the principal amount specified in Exhibit A of the Local Agency’s 2010 Tax and Revenue Anticipation Note (the “Note”) which may be issued in conjunction with the notes of other Issuers (as hereinafter defined) participating in the Program (as hereinafter defined), as determined in the Pricing Confirmation (as hereinafter defined), and which may be pooled with notes of other Issuers and assigned to secure a series (the “Series”) of bonds (the “Bonds”) designated in Exhibit A;

WITNESSETH:

WHEREAS, local agencies are authorized by Sections 53850 to 53858, both inclusive, of the Government Code of the State of California (the “Act”) (being Article 7.6, Chapter 4, Part 1, Division 2, Title 5 of the Government Code) to borrow money by the issuance of temporary notes;

WHEREAS, the legislative body of the Local Agency (the “Legislative Body”) has heretofore adopted its resolution finding that the Local Agency needs to borrow funds in its fiscal year ending June 30, 2011 (“Fiscal Year 2010-2011”) in the principal amount set forth in Exhibit A and that it is necessary that said sum be borrowed at this time by the issuance of a note therefor in anticipation of the receipt of taxes, income, revenue, cash receipts and other moneys to be received or accrued by the Local Agency and provided for or attributable to Fiscal Year 2010-2011;

WHEREAS, the Local Agency has adopted a resolution or resolutions (collectively or singularly, as applicable, the “Resolution”) authorizing the issuance and sale of the Note in the name and on behalf of the Local Agency;

WHEREAS, the Local Agency has determined that it is in the best interests of the Local Agency to participate in the California Communities Cash Flow Financing Program (the “Program”), whereby participating local agencies (collectively, the “Issuers”) may simultaneously issue tax and revenue anticipation notes, or alternatively, each may issue its note on a stand-alone basis, dependent on market conditions;

WHEREAS, the Authority, in consultation with Greencoast Capital Partners LLC, as financial advisor for certain of the Issuers (the “Financial Advisor”) and J.P. Morgan Securities Inc., as representative of the underwriters of the Program (collectively, the “Underwriter”), will form one or more pools of notes (the “Pooled Notes”) and assign each note to a particular pool, including a single note to a particular pool (the “Pool”), and sell a series (the “Series”) of bonds, which may include with respect to a single Pool, a series of senior bonds and a series of subordinate bonds (the “Bonds”) secured by each Pool pursuant to an indenture (the “Indenture”) between the Authority and Wells Fargo Bank, National Association, as trustee (the “Trustee”), and each Series distinguished by whether or what type(s) of Credit Instrument (as hereinafter defined) secures such notes that are part of each Series, by the principal amounts of the notes assigned to the Pool, by

whether interest on the Series of Bonds is a fixed rate of interest or a variable rate of interest swapped to a fixed rate by the Authority, by whether interest on the series of Bonds is includable in gross income for federal income tax purposes, or by other factors, all of which the Local Agency hereby acknowledges and approves the discretion of the Authority to assign the Note to such Pool and such Indenture as the Authority, in consultation with the Financial Advisor and the Underwriter may determine

WHEREAS, if so indicated in Exhibit A, the payment by the Local Agency of its Note will be secured in whole or in part (jointly, but not severally, with notes of the other participating Issuers assigned to the same Series of Bonds, if any) by a letter of credit, policy of insurance or other credit instrument (collectively, the "Credit Instrument") to be issued by the entity or entities designated in Exhibit A as the credit provider (the "Credit Provider");

WHEREAS, such Credit Instrument, if any, may be issued pursuant to a reimbursement agreement, commitment letter, indenture or other agreement (the "Credit Agreement") as identified in Exhibit A;

WHEREAS, in order to participate in the Program, the Local Agency has agreed to be responsible for its share of the fees and expenses of the Trustee, and, if applicable, the Credit Provider, and the costs of issuing the Bonds, and the costs, if applicable, of issuing the Credit Instrument, which anticipated fees, expenses and costs of issuance will be deducted from the purchase price set forth in Exhibit A and which unanticipated fees, expenses and costs of issuance will be billed to the Local Agency as the same may arise;

WHEREAS, the costs of issuance which will be deducted from the purchase price set forth in Exhibit A for the Local Agency shall not exceed one percent (1%) of the principal amount of each Note; and

WHEREAS, pursuant to the Program, the Authority is submitting this offer to purchase the Note pursuant to this Purchase Agreement;

NOW, THEREFORE, for good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

Section 1. Obligation to Purchase. Upon the terms and conditions and in reliance upon the representations, warranties and agreements set forth herein, the Authority shall purchase from the Local Agency, and the Local Agency shall sell to the Authority, the Note, as described herein and in the Resolution.

Section 2. Purchase Price. The purchase price of the Note shall be the purchase price set forth in the pricing confirmation attached hereto as Exhibit A (the "Pricing Confirmation"). The Note shall bear interest at an interest rate per annum set forth in the Pricing Confirmation, which is hereby agreed to by and between the Authority and the Local Agency by its duly authorized representative executing this Purchase Agreement on behalf of the Local Agency.

Section 3. Adjustments to Principal Amount of Note and Purchase Price.

The Authority and the Local Agency hereby agree that the principal amount of the Note purchased by the Authority and sold to the Authority by the Local Agency pursuant to this Purchase Agreement may be reduced, as determined by the Authority and each Local Agency, based upon the advice of Orrick, Herrington & Sutcliffe LLP (“Bond Counsel”), in order that the proceeds produced from such sale of such Note will be an amount which will not be subject to either (i) yield restriction (in order for interest to be excluded from gross income under Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”)) or (ii) a rebate requirement (under Section 148 of the Code). The Authority and the Local Agency hereby further agree that the purchase price of the Note shall be reduced as a result of any reduction of the principal amount of the Note required by this section.

Section 4. Delivery of and Payment for the Note. The delivery of the Note (the “Closing”) shall take place at 8:00 a.m., California time, on the closing date set forth in the Pricing Confirmation or at such other time or date as may be mutually agreeable to the Local Agency, the Authority and the Underwriter, at the Los Angeles office of Orrick, Herrington & Sutcliffe LLP or such other place as the Local Agency, the Authority and the Underwriter shall mutually agree. At the Closing, the Local Agency shall cause the Note to be delivered to the Authority, duly executed and authenticated, together with the other documents hereinafter mentioned, and the proceeds of the purchase price of the Note set forth in the Pricing Confirmation shall be deposited in an amount indicated in the Pricing Confirmation as the Deposit to Proceeds Fund which shall be held by the Trustee for the Local Agency and the remainder in the Costs of Issuance Fund held thereunder.

If at any time prior to 90 days after the Closing Date, any event occurs as a result of which information relating to the Local Agency included in the official statement of the Authority relating to the Series of Bonds to which the Note is assigned (the “Official Statement”) contains an untrue statement of a material fact or omits to state any material fact necessary to make the statements therein in light of the circumstances under which they were made, not misleading, the Local Agency shall promptly notify the Authority and the Underwriter thereof, and if, in the opinion of the Authority or the Underwriter, such event requires the preparation and publication of a supplement or amendment to the Official Statement, the Local Agency shall cooperate with the Authority and the Underwriter in the preparation of an amendment or supplement to the Official Statement in a form and in a manner approved by the Authority and the Underwriter, and all reasonable expenses incurred thereby shall be paid by the Local Agency.

Section 5. The Note. The Note shall be issued in substantially the form set forth in the Resolution, without coupons in the full principal amount set forth in Exhibit A.

Section 6. Representations and Warranties of the Local Agency. The Local Agency represents and warrants to the Authority and the Underwriter that:

(a) All representations and warranties set forth in the Resolution are true and correct on the date hereof and are made for the benefit of the Authority and the Underwriter as if set forth herein.

(b) The information relating to the Local Agency included in the Official Statement does not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in light of the circumstance under which they were made not misleading.

(c) A copy of the Resolution has been delivered to the Authority and the Underwriter, and the Resolution will not be amended or repealed without the consent of the Authority and the Underwriter, which consent will not be unreasonably withheld.

(d) The Local Agency acknowledges that the Authority is authorized to execute the Indenture, to assign the Note to the Trustee under the Indenture and to issue the Series of Bonds pursuant to the Indenture.

Section 7. Conditions Precedent to the Closing. Conditions precedent to the Closing are as follows:

(a) The execution and delivery of the Note consistent with the Resolution.

(b) Delivery of a legal opinion addressed to the Local Agency (with a reliance letter addressed to the Authority and the Underwriter), dated the date of closing of Bond Counsel with respect to the validity of the Bonds in form and substance acceptable to the Authority and the Underwriter.

(c) Delivery of a legal opinion, dated the date of Closing, of counsel to the Local Agency, with respect to the due authorization, execution and delivery of the Note, in form and substance acceptable to Bond Counsel.

(d) Delivery of each certificate, document, instrument and opinion required by the agreement between the Authority and the Underwriter for the sale by the Authority and purchase by the Underwriter of the Series of Bonds to which the Pooled Note is assigned.

(e) Delivery of such other certificates, instruments or opinions as Bond Counsel may deem necessary or desirable to evidence the due authorization, execution and delivery of documents pertaining to this transaction and the legal, valid and binding nature thereof or as may be required by the Credit Agreement, as well as compliance of all parties with the terms and conditions thereof.

Section 8. Events Permitting the Authority to Terminate. The Authority may terminate its obligation to purchase the Note at any time before the Closing if any of the following occurs:

(a) Any legislative, executive or regulatory action (including the introduction of legislation) or any court decision which, in the judgment of the Authority, casts sufficient doubt on the legality of obligations such as the Note, and the tax-exempt status of interest on obligations such as the Bonds, so as to impair materially the marketability or to reduce materially the market price of such obligations;

(b) Any action by the Securities and Exchange Commission or a court which would require registration of the Note, the Bonds or any instrument securing the Note or Bonds under the Securities Act of 1933, as amended, in connection with the public offering thereof, or qualification of the Resolution or the Indenture under the Trust Indenture Act of 1939, as amended;

(c) Any restriction on trading in securities, or any banking moratorium, or the inception or escalation of any war or major military hostilities which, in the judgment of the Authority, substantially impairs the ability of the Underwriter to market the Bonds; or

(d) The Underwriter terminates its obligation to purchase the Series of Bonds to which the Note is assigned pursuant to its agreement with the Authority for the purchase of such Series of Bonds.

Neither the Underwriter nor the Authority shall be responsible for the payment of any fees, costs or expenses of the issuance, offering and sale of the Local Agency's Note except the Underwriter shall be responsible for California Debt and Investment Advisory Commission fees and for its own internal costs. The fees, costs and expenses that are categorized in the "Costs of Issuance" definition in the Indenture shall be paid from the Costs of Issuance Fund. The Local Agency shall pay any additional costs attributable to it as set forth in the Resolution other than the fees, costs and expenses so payable from the applicable Costs of Issuance Fund.

Section 9. Indemnification. To the extent permitted by law, the Local Agency agrees to indemnify and hold harmless the Authority and the Underwriter and each person, if any, who controls (within the meaning of Section 15 of the Securities Act of 1933, as amended, or of Section 20 of the Securities Act of 1934, as amended) the Authority or the Underwriter, and the officers, directors, agents and employees of the Authority and the Underwriter against any and all losses, claims, damages, liabilities and expenses arising out of any statement or information in the Preliminary Official Statement or in the Official Statement regarding the Local Agency that is untrue or incorrect in any material respect or the omission or alleged omission therefrom of any statement or information regarding the Local Agency that should be stated therein or that is necessary to make the statements and information therein not misleading in any material respect.

Section 10. Credit Agreement. The Local Agency shall comply with all lawful and proper requests of the Authority in order to enable the Authority to comply with all of the terms, conditions and covenants binding upon it under the Credit Agreement.

of the Purchase Agreement. All of the representations, warranties and agreements contained in the Purchase Agreement shall survive the delivery of and payment by the Authority for the Note and any termination of the Purchase Agreement.

Section 13. Applicable Law. The Purchase Agreement shall be interpreted, governed and enforced in accordance with the laws of the State of California.

Section 14. Effectiveness. The Purchase Agreement shall become effective upon the execution hereof by the Authority and execution of the Pricing Confirmation by the Local Agency, and the Purchase Agreement, including the Pricing Confirmation, shall be valid, binding and enforceable from and after the time of such effectiveness.

Section 15. Severability. In the event any provision of the Purchase Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

when due or the Credit Provider (as defined in the Resolution hereinafter described), if any, is not reimbursed in full for the amount drawn on or paid pursuant to the Credit Instrument (as defined in the Resolution) to pay all or a portion of this Note on the date of such payment, this Note shall become a Defaulted Note (as defined and with the consequences set forth in the Resolution).

It is hereby certified, recited and declared that this Note (the "Note") represents the authorized issue of the Note in the aggregate principal amount made, executed and given pursuant to and by authority of certain resolutions of the Legislative Body of the Local Agency duly passed and adopted heretofore, under and by authority of Article 7.6 (commencing with Section 53850) of Chapter 4, Part 1, Division 2, Title 5 of the California Government Code (collectively, the "Resolution"), to all of the provisions and limitations of which the owner of this Note, by acceptance hereof, assents and agrees.
