Your statement and word count begin here:

Having a strong, safe community is my top priority. Seeing that our town is prepared and protected from fire, with quick medical response. Enough Police Officers to respond and investigate crimes, and to be proactive in crime prevention. The State has dumped early release parolees into Butte County with prison realignment, we need to see that they don't re-offend at our citizen's expense.

Improving traffic and pedestrian safety on our streets is challenging, We have made many changes on our main roads recently. Adding turn lanes, enhancing crosswalks, slowing traffic down. Weighing project costs, traffic impacts against goals of making roads safe for everyone, preventing accidents and injuries. We won't compromise on safety and we cannot do nothing. We are seeing the benefit of these changes.

We are working to eliminate blight of dilapidated buildings, tackling long time problems while improving business opportunities. This takes programs, vision and leadership. We still have more work to do.

I have a proven track record on the Town Council as a fiscal conservative, and as a strong advocate and supporter of business and jobs growth in Paradise.

I would appreciate your vote so I can continue to lead our community forward.
