IMPORTANT INFORMATION FROM THE UNITED STATES

ENVIRONMENTAL PROTECTION AGENCY

NEW REGULATION ON LEAD

Effective October 1, 2010: The new rule requires that contractors and maintenance professional's working on pre-1978 housing, childcare facilities and schools with lead-based paint be certified; that their employees be trained and that they follow protective work practice standards. The rule applies to renovation, repair or painting activities affecting more than six (6) square feet of lead-based paint in a room or more than twenty (20) square feet of lead-based paint on the exterior. Enforcement of this rule began October 2, 2010. See EPA website at www.epa.gov/lead for more information.

Town of Paradise will require that the attached certification form be completed for all permit involving paint on pre-1978 homes, childcare facilities or private schools.
