## **5 THINGS YOU CAN DO BEFORE YOU SUBMIT FOR YOUR BUILDING PERMIT**

### **1) GET YOUR PROPERTY SURVEYED**

Check out [www.rebuildparadise.org](http://www.rebuildparadise.org) to see if other parcels around your property have been surveyed and who surveyed them to possibly save costs. Call Butte County Recorder to confirm if a survey is on file 530-552-3400.

### **2) GET YOUR SEPTIC EVALUATED**

When you submit to rebuild, you will need evidence that the existing septic passed inspection. Go to [makeitparadise.org](http://makeitparadise.org) under ONSITE to find evaluators.

### **3) GET YOUR PG&E SERVICE REQUEST IN 1-800-743-5000**

### **4) GET YOUR WATER SERVICE CONNECTED**

Go to PID's website to get started  
[www.pidwater.com/recovery](http://www.pidwater.com/recovery)

### **5) Visit the Building Resiliency Center for information on your property, grants or building packets.**
