The purpose of the Memorandum of Understanding is the promotion of harmonious relations between the Town and the Association, the establishment of equitable procedures for the peaceful resolution of differences, and the establishment of rates of compensation, hours of work, and other matters relating to employment conditions to be observed by the parties.

The Town and Union will not retaliate against employees for filing a complaint and will not tolerate retaliation by their respective management, partners, employees, or coworkers. Retaliation is prohibited against any person by another employee, partner, or by the Town or Union itself and includes retaliation for using an available complaint procedure, reporting harassment or discrimination, or for filing,

testifying, assisting, or participating in any manner in any investigation, proceeding, or hearing conducted by a governmental enforcement agency.

Section 1.03 RECOGNITION

The Paradise Police Officers' Association is recognized as the sole and exclusive representative of employees in the non-management bargaining unit of the Paradise Police Department (Department), consisting of the classifications listed in Exhibit A, certified pursuant to the Employee-Employer Relation Code adopted by the Town Council on May 6, 1981. Town agrees to meet and consult with the Association in connection therewith.

Employer Rights and Responsibilities. Employer retains, solely and exclusively, all of the rights, powers, and authority exercised or held prior to the execution of this Memorandum of Understanding, except as expressly limited by law or this Memorandum of Understanding. Without limiting the generality of the foregoing, the rights, powers and authority retained solely and exclusively by Employer include but are not limited to the following:

To manage, control and determine business and personnel; to manage, control and determine the mission of its departments, building facilities and operations; to direct the work force; to hire, transfer, promote and maintain the discipline and efficiency of its employees; to establish work standards, schedules of operation and reasonable work load; to specify or assign work requirements and require overtime; to schedule working hours and shifts; to determine the type and scope of work to be performed by Employer's employees and the services to be provided; to classify positions; to establish initial salaries of new classifications; to determine the methods, processes, means and places of providing services; to reduce the work force.

Section 1.04 ASSOCIATION SECURITY

Employees represented by the Association shall be free to participate in Association activities without interference, intimidation, or discrimination in accordance with State law and Town policies, rules and regulations. The Association and employee rights include:

- A. The right to represent its members before the Town Council or advisory boards or commissions with regard to wages, hours, and working conditions or other matters within the scope of representation.
- B. The right to be given reasonable written notice of any ordinance, rule, resolution, or regulation directly relating to matters within the scope of representation.
- C. The Town agrees that two (2) employee representatives of the Association are entitled to reasonable time off without loss of compensation or other benefits when meeting and conferring with management representatives on matters of employer-employee relations, or when engaged in activities that the parties mutually agree are in the shared interest of more harmonious relations on matters within the scope of representation. Such employee representatives shall be permitted relief from "active duty" for the full shift on any day when meeting and conferring with the Town negotiator occurs. Should a police emergency arise or any scheduled meet and confer session be canceled for any reason, employee representatives will report for "active duty" as needed. Each party shall give notification of any cancellation of a

meet and confer session as soon as practicable. Employee representatives who are scheduled other than the day shift, shall, when shift coverage is required by the Chief, arrange through the Association with concurrence of the Chief or a designated representative, a volunteer to shift swap with the employee representative. In the event a volunteer is available, the Chief may assign any employee to cover the required shift. In such instances, all shift change time notices and premiums set forth in the Agreement are waived.

- D. The right to have payroll deductions made for payments of organization dues and for lawful programs.
- E. The right to the use of designated bulletin boards by the Association in each building or facility where employees represented by the Association are assigned as approved by the Chief of Police.
- F. The use of Town facilities for Association activities providing that appropriate advance arrangements are made. The granting of such use may be conditioned on appropriate charges to offset the cost of such use as are applicable to the general public. The Town Council or its designated representative will make copies of their agenda and related material available.
- G. Reasonable access to employee work locations for officers of the Association and their officially designated representatives, for the purpose of processing grievances or contacting members of the Association concerning business within the scope of representation. The Association representative shall give prior notice to the Chief, or if unavailable, to the watch commander, of his/her intent to contact a worker on duty. Access shall be restricted so as not to interfere with the normal operations of the Department or with established safety or security requirements as approved by the Chief of Police.
- H. It is acknowledged that nothing contained in this agreement is a waiver by the Association of its right to meet and confer on any proposed changes by the Town of any matter(s) relating to wages, hours, and other terms and conditions of employment, not included in this agreement.

Section 1.05 UNION DUES DEDUCTIONS, INFORMATION AND ORIENTATION

Members of the Union in good standing shall authorize the payment of dues to the Union through payroll withholding. The Town shall withhold dues in accordance with the procedures set forth in this section.

a) Authorization For Payroll Deductions

Upon an employee electing membership in the Union, a dues withholding authorization form shall be submitted to the Town. Authorization for deductions shall become effective at the beginning of the first pay period for which the payroll closing date is not less than five (5) days after receipt of the approved form.

b) Information Provided to Union

The Town shall provide information regarding bargaining unit employee personal information to the Union pursuant to AB 119 (2017) as follows:

1. Within 30 days following a new hire: name, job title, department, work location, home and work land-line and cell phone numbers, work and personal email addresses (if known) and home address information. This information shall be made available on an ongoing basis to the Union at the beginning of every quarter, approximately every 120 days (in January, April, July, and October).
2. The Town shall not be required to furnish information for any employee who makes a written request, to the extent that the written request identifies the specific information the employee is electing not to share.
3. Information provided pursuant to this section shall not cause the information to become a public record, and it shall continue to be considered a part of employee confidential personnel records for all purposes.
4. The Union agrees to safeguard any information provided to it under this section. It shall not be disseminated other than for purposes of providing representation services to its members whether through its local, or parent union or legal staff under contract with the Union as an affiliated provider of representation services for their members.

c) Union Orientation of Newly Hired Bargaining Unit Members

The Town shall provide the union with ten (10) days advance notice prior to any new employee orientation when practicable. The union and employer jointly recognize that the Town of Paradise is a small employer and therefore employee orientation frequently occurs with less time than ten days between acceptance of an employment offer and new employee orientation. While the Town will provide the advance notice required by this section, it is not required to do so if the notice period would delay orientation for a new employee.

The union may elect to participate in new employee orientation and shall be allotted fifteen minutes to present information about the union and union membership.

Union presentations or other participation in orientation shall be by a recognized steward or union paid staff only. If the union determines it will send a Steward who is also a Town bargaining unit employee to the orientation rather than its own paid staff, this shall be considered a union marketing function; and such time shall not be on Town paid time. The steward may elect to use accrued vacation time to cover their absence from work to participate in the orientation process.

Union participation in orientation relieves the Town from providing any information regarding the union to the new employee as the union will fulfill that function exclusively during orientation.

If the union is unable, or elects not, to participate in orientation, the Town will provide a new bargaining unit employee with a packet of information from the union, including a union card allowing the employee to elect membership and authorizing the dues deduction. All packet materials shall be provided by the Union.

Article II. WAGES & HOURS

Section 2.01 SALARIES

Rates of pay. The monthly salary range and effective date for each classification, including steps, shall be as shown on Exhibit A attached hereto and incorporated as an integral part of the Memorandum of Understanding.

- A. Effective July 4, 2022, all employee unit members shall a one-time ratification bonus equal to 1% net of annualized base salary pay plan rate, including incentives and longevity pay where applicable. Rates shall be based on salary pay plan step on July 5, 2022. Additionally, effective the first full pay period following July 1, 2022 (July 4, 2022), all employee unit members shall receive a 4% cost of living increase to the salary pay plan schedule.
- B. Effective the first full pay period following July 1, 2023 (July 3, 2023), all employee unit members shall receive a 4% cost of living increase to the salary pay plan schedule.
- C. Effective the first full pay period following July 1, 2024 (July 01, 2024), all employee unit members shall receive a 4% cost of living increase to the salary pay plan schedule.

Section 2.02 HOURS OF WORK

The standard work-week for employees covered under this agreement consists of forty (40) hours. This may be achieved by alternate workweek schedules that average 40 or more hours per week over a pay period.

- A. Work Week:
 1. A work week shall consist of five (5) consecutive work days and two (2) consecutive days off, except for probationary employees participating in a Field Training Officer program. Any alteration of the work-week shall be by mutual agreement of the employee and management.
 2. Effective May 19, 2003, the Town and the POA established a 3/12.5 schedule in a 28 day work period 7(k) exemption, for Public Safety positions as defined by FLSA (sworn), for the purpose of calculating federal Department of Labor Fair Labor Standards Act (FLSA) overtime. Regular pay of 160 hours worked (75 hours one biweekly pay period, 85 hours the second biweekly pay period or vice versa) within the 28 day work period will be paid in two equal paychecks of 80 hours each.
 3. The standard work schedule for police officers assigned to patrol shall consist of three consecutive weeks of 37.5 hours each and one week of 47.5 hours, within a 28 day work period. The standard work schedule for Sergeants assigned to patrol shall be a four (4) day, ten (10) hour weekly schedule.
 4. A police officer's work week shall consist of three (3) consecutive work days and four (4) consecutive days off. Every 4th week a work week shall consist of three (3) consecutive work days and 1 training day. The exception shall be for probationary employees participating in a Field Training Program. Any alteration of the work week shall be by mutual agreement of the employee and management.

5. 12.5 hour example: This schedule has 3 shifts 12.5 hours long followed by 4 days off and consists of day shift personnel and night shift personnel. This schedule has positions, a 10 hour training day per month with no overtime compensation required, but does not have a team concept. Day shift would begin at 0600 hours and conclude at 1830 hours, with a half-hour overlap with night shift: (1800-1830). Night shift would begin at 1800 hours and conclude at 0630 hours, with a half-hour overlap with day shift (0600-0630). At the end of the second pay period, each officer would have to compensate the Town of Paradise for 10 hours of time to complete the 160 hours required for two pay periods. Therefore, these 10 hours could be used for a training day. To train the entire patrol division, there would have to be two different training days.

*The math is as follows:

1st week 3 shifts x 12.5 hrs = 37.5

2nd week 3 shifts x 12.5 hrs = 37.5

3rd week 3 shifts x 12.5 hrs = 37.5

4th week 3 shifts x 12.5 hrs = 37.5 = 150 hours for four week pay period

150+ 10 hour training day = 160 hours for four week pay period.

*This would require a minimum of 15 personnel to work without overtime compensation to back fill.

6. Sworn employees assigned other than patrol may be assigned to a 4/10 or 9/80 work schedule.
7. The work-week for the Communication Records Supervisor and Public Safety Dispatcher shall be the four/ten (4/10) program. Specialized Public Safety Dispatcher positions may require a five-day/eight-hour (5 day/8 hour) per day work-week schedule. Any alteration of the work-week shall be by mutual agreement of the employee and management.
8. Effective April 18, 2019 the Town and the POA established a 3-12 / 4-12 schedule in a 28 day work period 7(k) exemption, for Public Safety positions as defined by FLSA (sworn), for the purpose of calculating federal Department of Labor Fair Labor Standards Act (FLSA) overtime. Regular pay of 160 hours worked (80 regular hours and 4 overtime hours one biweekly pay period, and 80 regular hours and 4 overtime hours on the second biweekly pay period) within the 28 day work period will be paid in two equal paychecks of 80 regular hours and 4 overtime hours each. Overtime pay is not pensionable compensation.
9. Non-sworn members shall be paid in accordance with FLSA weekly overtime rule, anything worked over 40 hours in one week is overtime. For dispatch the 3-12 / 4-12 is 36 regular hours in one week and 40 regular hours plus 8 overtime hours in the other week. Overtime pay is not pensionable compensation.
10. The standard work schedule for Police Officers, Sergeants, Dispatchers, and Dispatch Supervisor assigned to a patrol schedule shall consist of alternating three consecutive 12 hour shifts with four consecutive days off and four consecutive 12 hour shifts with three consecutive days off, within a 28 day work period.

11. 12 hour example: This schedule has 3 shifts 12 hours long followed by 4 days off, and then 4 shifts 12 hours long followed by 3 days off or vice versa. This schedule consists of day and night shifts. This schedule has 4 hours of overtime per biweekly pay period. Day shift would begin at 0600 hours and conclude at 1800 hours. Night shift would begin at 1800 hours and conclude at 0600 hours.
- B. Work Day. A normal work day shall consist of eight (8), nine (9), ten (10), twelve (12) or twelve and one half (12 1/2) consecutive hours, within which is included a reasonable lunch period, normally thirty (30) minutes, unless otherwise provided herein.
1. Employees may or may not receive consecutive days off during a week in which employees rotate shifts on a department-wide basis. However, except for probationary employees participating in a Field Training Officer program, such shift rotation shall be no more than three (3) times yearly, unless otherwise agreed upon by the Association and the Chief of Police. At rotation, no employee shall be required to work two (2) shifts with less than eight (8) hours between shifts.
 2. All paid leave taken during a work week/day shall be computed as time worked for the purpose of computing overtime in accordance with Article II, Section 2.02 of this agreement.
 3. Overtime shall be paid at the rate of time and one half the prevailing rate of pay for an employee required to work in excess of 12.5 hours per shift on a normal work day, in excess of 8 hours per shift on a normal work day, in excess of 10 hours per shift or on a 10 hour normal training day, in excess of 8 hours per shift on an 8 hour training day, in excess of 12 hours for a normal work day, and for 7(k) exempt employees in excess of 160 hours in a 28 day work period.

Section 2.03 OVERTIME & COMPENSATORY TIME OFF

- A. The Town shall pay an amount equal to one and one-half (1 1/2) times the hourly rate of pay for an employee required to work in excess of eight (8) hours per shift on a five/eight (5/8) shift schedule or in excess of ten (10) hours per shift on a four/ten (4/10) shift schedule, or to work in excess of twelve (12) hours per shift on an alternating three days per week/four days per week 12 hours per day shift schedule, or more than forty (40) hours per work week. Note: for the 12.5 hour shift schedule refer to Article II, Section 2.02.A.1.
- B. For the purpose of computing time worked in this article, all paid leave taken during the work week shall be computed as time worked. All overtime shall be authorized only when in the opinion of the Police Chief it is necessary for the safe and effective operation of the Department. The Department shall make a reasonable effort to find volunteers to work overtime before requiring an employee to report for overtime duty. To the extent operationally feasible, ordered overtime shall be assigned on an equitable basis among employees qualified to perform such overtime. It is further agreed that employees may accumulate up to a total of two hundred and forty (240) hours of compensatory time off. All overtime earned in excess of the maximum accrual shall be automatically paid as provided herein.

1. All employee unit members shall be allowed to cash in up to \$3,000 of accrued compensatory time off once per year. Requests must be received by May 31st, to be paid in the month of June.
2. Compensatory time off bank shall be paid out in full at the time of promotion from a non-exempt position to an exempt position, or other movement out of the Association.

Section 2.04 COURT OVERTIME

- A. It is agreed that employees required to appear in court or any official hearing, civil or criminal, in connection with their duties and as a result of a Paradise Police Department Criminal investigation, arrest and/or citation, response to a request for service or self-initiated act while employed by the Town of Paradise and within the scope of his/her normal employment shall receive overtime compensation pursuant to this Article, except that such employees shall receive a minimum of four (4) hours overtime for each appearance (not contiguous) that is not part of his/her normal work shift. When the required court appearance is scheduled within two (2) hours before or after the regularly scheduled normal work shift, the four (4) hour minimum will not apply.

The earned hours will be assigned to an individual account of compensatory time off from duty for a max of 8 hours a month. If the member has reached their maximum for compensatory time off, the member will be paid at their overtime rate of pay. Documentation of court call-off to be provided to Supervisor or Manager.
- C. Employees hired on or prior to March 31, 1984, who are required to appear as specified in Article II, Section 2.04.A-D., but as a result of being employed with a prior law enforcement agency shall be compensated in accordance with this section except that an appearance required for a Civil action, administrative hearing or other actions as further defined in Article II, Section 2.04.E., will be compensated according to Article II, Section 2.04.E.
- D. Employees hired after March 31, 1984, who are required to appear as a result of being employed with a prior law enforcement agency, shall not be compensated according to Article II, Section 2.04.A-D. for criminal court appearance but will be compensated according to Article II, Section 2.04.E. for a Criminal or Civil court appearance or administrative hearing or action as further defined in Article II, Section 2.05.

Upon being advised, the Chief of Police or his designee shall, as soon as is practical, modify, if necessary, the employee's schedule to place him/her on such a shift that would permit the employee to appear during an on-

duty status. Compensation will be made for travel time, stand by time, and for time actually spent in Court or hearing up to a maximum of eight (8) hours per day of straight time pay. The Town agrees to furnish the employee with a Town vehicle and supply such needed fuel if the foreign jurisdiction will not furnish transportation.

Article VII. SAFETY & PERSONNEL

Section 7.01 PROBATIONARY PERIOD

It is agreed that the probationary period for new employees, lateral entries and in-house promotions shall be:

New hire employee:	18 mos. satisfactory service
Lateral Entry:	12 mos. satisfactory service
In-House Promotion:	12 mos. satisfactory service

Failure to pass probation is considered part of the testing process and not a demotion or disciplinary action. The Police Chief is authorized to extend probation up to six (6) months, if necessary.

Probationary employees shall be evaluated at the end of one years' service and if that service has been performed satisfactorily, then they shall be entitled to a merit increase although they will still be on probation for an additional six months.

Section 7.02 APPLICATION OF SALARY RATES

Employees shall be assigned a salary within the range established for the appropriate position. The minimum rate generally should be assigned to employees upon original appointment; however, the Town may, when circumstances warrant it appoint, reinstate, or promote at other than the minimum rate, but not more than the maximum rate.

Section 7.03 PROMOTIONS AND APPOINTMENTS

The Town and the Association agree that it is in the best interest of the Town and the employees within the Department to provide a career ladder within the Department. It is also a policy of the Town that when promotional opportunities arise, full consideration will be given to eligible employees from within the Department. Employee positions in this MOU shall be filled from among the top five (5) qualified and available candidates on an eligibility list developed under the provisions of the Town's Personnel Rules.

Section 7.04 ADVANCEMENT WITHIN SALARY RANGE

Salary advances shall be only at the recommendation of the Chief of Police with approval of the Town Manager whose decision is final and shall be based on merit as established by record of the employee's performance. No salary advancement shall be made so as to exceed any maximum rate established in the Salary Pay Plan for the employee's position nor be automatic merely upon completion of a specified period of service.

Continued satisfactory performance is required to maintain any salary increases above the initial increase. Where an employee is reduced in salary for disciplinary reasons or for not maintaining satisfactory performance, such action is subject to the grievance procedure. Performance evaluation may be more frequent than the twelve (12) month interval, but only those evaluations which have been designated as "salary review" performance evaluations and which have been approved by the Chief of Police will be utilized to advance an employee through the salary range.

Section 7.05 EMPLOYEE DISCIPLINE AND PROCEDURE

 5. The opinion shall be sent to the Town Manager and to the employee or appropriate Association representative within fourteen (14) calendars days of the hearing.
 6. The opinion shall be limited to the issue or issues involved and presented to the Town Council. Section 7.07 SENIORITY AND REDUCTION IN FORCE

- A. Town Seniority is understood to mean an employee's most recent date of employment or reemployment. Seniority will continue to accrue during all types of leave except for Leave of Absence without Pay for thirty (30) calendar days or more which shall cause this date to be adjusted for an equivalent amount of time. Leaves of Absence without Pay for periods of less than thirty (30) calendar days shall not cause the Town Seniority date to be adjusted. Town Seniority shall be used for purposes of computing vacations, service awards and other matters based on length of service.
- B. Classification Seniority shall be understood to mean length of time in classification. After successful completion of the probationary period, length of time in classification reverts to date of entry, transfer, or promotion to present classification. Seniority will continue to accrue during all types of leave except suspension without pay, or a voluntary Leave of Absence without Pay for thirty (30) calendar days or more which shall cause the Classification Seniority date to be adjusted for an equivalent amount of time. Leaves of Absence without Pay for periods of less than thirty (30) calendar days shall not cause the Classification Seniority date to be adjusted. Classification Seniority shall be used in conjunction with job classifications for purposes of layoff and consideration for merit reviews.
- C. Layoff.
 1. The Town shall give notice to the Association in advance of any pending reduction-in-force. Employees to be laid off shall be given, whenever possible, at least sixty (60) calendar day's prior notice. In each class of position, employees shall be laid off according to employment status in the following order: temporary, provisional, probationary and permanent.

2. Employees within each category shall be laid off in inverse order of seniority in the Paradise Police Department Service.
 3. In the event that two or more employees affected have the exact same amount of service in class as well as the same evaluation rating, the employee(s) to be laid off shall be determined by lot.
 4. In lieu of layoff, an employee may demote to a position in a lower classification in the unit where such employee has seniority over the incumbent employee in the lower classification, calculated by adding seniority in the class of layoff to seniority the employee previously earned in the lower class. In such instance, the incumbent employee in the lower classification shall be served a layoff notice and shall be allowed demotion rights.
- D. Recall. Employees in layoff status will retain recall rights for three (3) years and shall have preference to work over applicants on eligibility lists. Recall will be made by certified mail to the last address in the employer's records. Within fourteen (14) calendar days of the certified receipt date, laid off employees must signify their intention of returning to work to the Employment Office.
1. Recall will be offered to laid-off employees provided they are physically qualified to perform the duties of the job. A laid off employee, when offered recall, who is temporarily unable to accept due to medical reasons as certified by an attending physician, may request a leave of absence not to exceed thirty (30) days. Recall from layoff shall be in the order of classification seniority.
 2. An employee recalled within three (3) years shall keep the same classification seniority date as existed before the layoff.
 3. Employees who return to a job classification covered by this agreement from an "exempt" status receive a rate of pay not more than what they would have attained had they progressed normally within the original classification.
