

6e) CDBG-DR Infrastructure Action Plan Amendment (APA) No. 5

- Town of Paradise originally allocated \$199M + \$30M Planning for Sewer
- Funds are divided between critical projects (evacuation routes, matching for recovery projects, etc)
- Projects are being advanced now in various stages between environmental review, right of way and design.
- Last year, HCD notified the Town of a new allocation of \$13.5M funds in which Council approved APA-4 towards the Sewer
- HCD has now revised the new allocation to \$21,695,955.82 meaning a net increase of \$8,195,955.82
- Staff recommends allocating these funds to the Paradise Sewer Project construction budget as well.
